

SO WHAT

By Gil Wales

The Cause Celebre — the Breslau murder case is the red hot topic at the city hall. As you have read or heard, just about all of the details of the infamous killing, we thought you might be keen about the other side of such sinister affairs.

But before we delve into that, a word about the man being returned here from Texas. Doubtless you are aware that couple of gendarmes are escorting a young fellow here from the Lone Star State, in connection with the dastardly crime.

Many people we talked with today, were of the opinion that he was the "finger man," or the individual who connived with the actual killers, in that he tipped them off concerning the huge sums of money by the dead gambler.

But that is not the case at all, we learned from Chief of Police Sunderland. Instead, he will be interrogated as to what part he actually played in the cowardly drama. You recall Breslau was shot down in cold blood as he left his office.

In any event, we immediately asked Bill Sunderland why, if the wanted man was so all fired important in the case, wasn't he flown here? Surely, time is of the essence in this difficult procedure. Bill said it can't be done. Seems that there is some sort of federal regulation which prohibits law officers from transferring their charges by way of the azone.

The ban was drawn up a few years back after an ornery critter, aboard an airliner over the south-east, made a desperate attempt to escape. At gun point, he made the pilot make a forced landing, and as a result, several of the passengers were killed.

Of course, the bad man failed in his try to get away, but that was enough for the authorities. They decided that the best thing to do was keep the desperado on the (Continued on Page 2)

Two Week Vacation For D. C. Students

Parents can look forward to having their children around the house for two weeks during the Christmas vacation.

Both the Daly City elementary schools, and Jefferson High school will close down for the Christmas holidays. The last day of school in 1949 will be next Thursday, December 15.

Vacation begins Friday, December 16.

When the lads and lassies go back to school it will be another new year. The first day of the 1950 school term will be Tuesday, January 3.

New Buildings On D. C. Horizon

Although on the far distant horizon, the outcome of a Monday meeting between Mayor Paul Green and federal government officials may mean new public buildings for Daly City.

Under the present federal reorganization plan, the government will bare the expense of drawing

GIVE A CHILD JOY THROUGH A TOY

Santa Claus is going to disappoint scores of Daly City starry-eyed boys and girls this Christmas, unless YOU do something.

That something is the embodiment of the Yule time spirit—Give. Toys are needed desperately to insure every child a happy, beautiful Christmas. These toys need not be new, only usable. They need not be expensive, nor store bought, they can come from YOUR basement or closet.

The Daly City Lions club has called on residents in this community for the toys, symbols of Christmas to every child.

To date the response to this plea has been negative. Not one toy has found its way into the Lions Club Christmas bag.

Are YOU to be a Scrooge, damning the less fortunate to a miserable December 25 merely because YOU are too lazy to dig up that old toy for a needy child?

Let's hope the true spirit of Our Savior's birthday still exists. Today, dig down into that stack of YOUR children's cast off toys and bring one, bring them all, to either the Daly City Theatre or Jefferson High School.

But not only act as a single individual... get your clubs, your church to back this drive.

Give Santa Claus a helping hand. Give some child joy in a toy this Christmas.

Daly City Child Suffers Beating

Recovering in Community hospital today from malnutrition and a number of severe body bruises, including a black eye, is eight-year-old Helen Crawford of Daly City.

Mr. and Mrs. D. D. Crawford, her parents, have been charged with contributing to the delinquency of a minor. They are out on \$50 bail.

Police discovered the child in the Mission Auto Court alone and without food. Helen told them that her mother was in the habit of beating her.

"She makes me stand in the corner, because she says she can't stand my ugly face," Helen told police.

Mrs. Crawford had allegedly beaten the girl with an electric light cord on the face and back Friday, police declared. The mother also had left the girl alone in the cabin Friday from 10 a. m. to 10 p. m. without food, police believe.

Before bail was set, the parents were arraigned before Judge S. K. Robbins on a complaint signed by the juvenile department.

Authorities have not yet decided whether to make the child a ward of the juvenile court.

Murder Trio Mum; Fourth Suspect May Tell All

Everything was opening up in the Breslau murder case this week, except the mouths of the three men accused of the killing.

But police and a harassed district attorney were hoping for the best from Texas. At the present time Glenn McMains, 30, known to his friends as "Clem," is coming up from the panhandle state with two San Mateo county officers.

Officials are hoping against hope that McMains, who is believed to have rented the murder car, will tell all concerning that September 29 evening when bookie Marty Breslau figured his odds wrong and was shot and robbed in Daly City.

McMains is expected to arrive in San Mateo sometime Saturday. He waived extradition procedure and it is hoped he may be easier to talk to than Joe and Roy Teller and John "Midge" Ruano, the three accused of the shooting.

Unless the San Mateo grand jury indicts the three before December 16, a preliminary hearing on the charges will be heard in the Daly City police court on that day. Judge W. J. Sweeney set 10 a. m. for the time of the hearing.

Until such time as they made themselves heard in court, via their attorney Andrew Bodisco, the trio will sit it out in jail. Judge Sweeney denied them bail.

Briefly, here is a recap of last week's developments:

Friday, December 2: Despite systematic grilling of the four suspects by San Mateo officials, they would admit nothing.

Daly City man, Robert McKay, 27, was released as there was insufficient evidence to warrant holding him at the time, police said.

Saturday, December 3: One of the four held was turned back to San Francisco police as there was not sufficient evidence to hold him.

District Attorney Louis Demateis admitted "there is a lot of work to be done" before convictions will be obtained. He stuck to his belief that the three men in custody, were the right ones.

It was also revealed that the Teller brothers and Ruano were "involved in a series of burglaries in San Mateo County," Demateis said. He added that they could be held on those charges, if necessary.

Monday, December 5: San Mateo county officers left for Edinburg, Texas to pick up McMains. McMains, a San Francisco truck driver, left San Francisco after the murder to visit his father.

McMains, Teller and Ruano were named in a complaint as the murderers of Breslau. Arraignment was scheduled for Tuesday in Daly City.

Police were searching for the "finger man" whose tip led to the roundup of the suspects early last week. His name is being withheld.

They were also looking for the man who put the "finger" on Breslau for robbery. It is suspected (Continued on page 5 col. 5)

Shirado Faces \$80,000 Suit

Facing a joint \$80,000 damage suit today is Frank Shirado, 25, 335 Marian street.

The Daly City man was the driver of a car in which a San Francisco youth was killed, and his brother seriously injured December 3, 1948, on the coast highway near Skyline boulevard junction.

Mrs. Catherine Beck, mother of the boys, filed the suit in the Redwood City superior court Saturday.

The day after the accident, a head on collision with a car driven by Harold Winslow, Sharp Park, Kenneth W. Peck, 17, died. His brother, Carroll, suffered a concussion, broken nose and fractured right knee.

Mrs. Beck asks \$50,000 for Kenneth's demise, and \$30,000 for Carroll.

The mother alleges that Shirado was driving a car in poor mechanical condition at 65 to 90 miles an hour on a slippery road in pursuit of another vehicle when the crash occurred.

AND WHAT DO YOU WANT FOR XMAS, LADIES?

Registering various signs of belief, incredulity and amusement over the presence of Santa Claus are these ladies of the Jefferson PTA executive board. Surrounding Santa Claus (Mrs. Ann Eason), left to right, are Mesdames Byron Jensen, Catherine Duffy, Mildred McGee, Olga Bordon, Tina Hollingsworth, Hilda Heagney, Lillian Cavagnaro, Lida Hanely, Stanford Hannah, Virgil Cady, Emma D'Ispe, Lillian Thomey, L. M. Hill, Henry Adams, T. Filarski, Alfred Pistohl, Catherine Foreman, James Linden, Ted Hopman.

DON'T LET DEATH TAKE YOUR HOLIDAY!

The wreath is a traditional symbol of Christmas. In windows and on front doors of homes all over America, the bright red and green of holly will signify the joyous festivities of the holiday season.

For Christmastime should be a time of happiness. Every family looks forward to the joy and celebration that the holiday period should bring. But every year thousands of families in our country see Christmas joy turned into suffering and tragedy because of needless and preventable accidents.

The National Safety Council points out that hundreds of persons are killed and thousands more injured by accidents during the Christmas - New Year's holiday season — the year's peak accident period. The No. 1 killer is traffic, and its death toll on Christmas Day is two or three times the annual daily average.

To keep death from taking your holiday — or the holiday of your loved ones — is a simple thing. It costs nothing, takes no time and requires only a little effort. It only means being aware of the extra holiday hazards and of the extra caution, common sense and courtesy needed to overcome them.

Refuse to drink if you are driving. Wait for the light to change. Yield the right-of-way. Discard a string of Christmas tree lights with worn insulation. Throw away gift wrappings as soon as presents are opened.

These are little things — but they pay off big in holiday happiness. These little extras go a long way toward keeping the lights on in your home and the red and green holly wreath on your door.

They will preserve for you and your loved ones the joy and delight that is America at Christmas.

Mayor Says "No" To H. H. Smith's Proposed New Daly City Bus Route

Last week, in the "Record," H. H. Smith, 187 Irvington street, proposed a new bus terminal and route for Daly City.

Briefly, his plan called for a terminal between Hillcrest drive and Los Olivos avenue near Santa Barbara.

This week Mayor Paul Green replies to Smith's proposal in a letter to the editor.

Other suggestions and letters are welcome from readers. ALL SIGNED LETTERS will be published.

Following is Mayor Green's letter:

In last week's issue, you published a proposal from one of our citizens, in which it was suggested that the city purchase a piece of land, 100x200 feet, between Los Olivos avenue and Hillcrest drive, to be used, among other suggested uses, as a "bus terminal."

In the article, a false presumption was made that the main reason for the proposed extension of Brunswick street from Wellington avenue to Hillside boulevard was for use by buses of the San Francisco Municipal Railway. I should like to point out that the main reason for the extension of Brunswick street is for use as a thoroughfare for the benefit of the people of Daly City, and that any possible use by buses would be purely incidental to the main purposes.

Concerning the proposal that the city purchase a piece of land 100x200 feet, I should like to make the following comments:

1. The proposal said that such an area would "provide parking space for those wishing to leave their cars and pick them up in the evening."—"provide a badly needed parking area for shoppers"—"give

VOTE FOR D. C. COWBOYS; HELP THEM WIN \$1,000

Everyone in Daly City can help the lads of the Colma Vista Grande Aerie No. 1848, F.O.E., win a \$1,000 prize.

How? Simply vote for those gents of rhythm and sway, the "Daly City Cowboys" when they appear on the Budda Amateur Hour this Saturday. The lads will compete for the \$1,000 first prize, along with other amateurs.

Their plaintive melodies can reach your ear if you turn your dial to KFRC at 8 o'clock Saturday night.

Although you may not be able to tell the individual voices and instruments, Pete Matthews will be the poor man's Crosby. Bass fiddle will be under the direction of Joseph Lewkowicz's fine fingers.

Ray Ward is to be on guitar with Alex Storm pushing the squeeze box.

All of these are Daly City men who need, and want your support.

If the boys take the \$1,000 first prize they plan to increase the volume of their group through purchase of finer instruments. It is said also that Lewkowicz is eyeing a better cowboy suit.

Even if you hate cowboys, why not vote for the Daly City lads.

This can be done by mailing a postcard to the Budda show at KFRC and marking plainly the name of this group on the card.

The more cards received, the better chance that the Daly City group will either win place or show in the final contest.

More information, and post cards, may be obtained by seeing Lewkowicz, who between songs runs a gas station at the corner of San Jose and Mission.

Xmas Decorations To Light Up D. C. By Next Week

Christmas decorations from the county line to Market street will be going full blaze in Daly City sometime next week.

That was the prediction today of Frank Lombardi, president of the Daly City Merchants Association. Mayor Paul Green predicted the lights would be turned on about December 15.

However, the decorations are going to fall short of what was expected. Instead of elaborate Santa Clauses and angels, the merchants have decided that one wreath, hung above the middle of the street, in addition to the lights will be enough.

Earlier, it had been planned to buy decorations from Berkeley, but somewhere along the line something went wrong. Evidently some merchants did not feel the decorations warranted the expense.

However, the city came thru as it had promised. More than \$2,500 was spent on Christmas lighting which was put up by the city.

Subsequently the city will purchase all of the Christmas decorations, Mayor Green declared.

"Each year we plan to purchase decorations so that in two years we will have lighting second to none," Mayor Green asserted.

He added that this action follows the raising of the business license taxes \$6 a year last June. Money from this additional revenue will help pay for the planned

SANTA CLAUS MAKES EARLY VISIT TO D.C. FOR ANNUAL XMAS PARTY

Big, Free Show For All Children In This Area Coming December 19

Get ready, kids. Daly City's big annual Christmas party is coming up Monday, December 19.

And this year the party promises to be bigger and better than ever before.

It will all get underway at about 12:30 p.m. in the two Daly City movie houses, the Daly City Theatre and the Crest. Doors at both theaters will be open at noon.

Not only Santa Claus will be on hand to pass out gifts and advice, but in addition there will be almost three hours of movie entertainment. The program will be announced in the "Record" next week.

Best thing of all, of course, is that the annual Christmas party is free. No box tops, no dimes, not even toys.

Last week the "Record" informed its readers that each child would have to bring a toy to get into the Christmas party. This was an error on the part of our informant. However, why not help some less fortunate child and bring a toy, anyway? All toys will be distributed by the Lions.

Tickets to get into the big show will be given out at all the elementary schools. These pieces of cardboard are free to every child. They also will be given to school children who want to bring their pre-school age brothers and sisters.

Remember to bring the ticket. The only reason they are issued is to limit the show to the Daly City area. Santa Claus will visit the boys and girls in San Francisco at some other date.

Children from Thornton and Jefferson elementary schools will meet Santa at the Crest Theatre. All other elementary school boys and girls will go to the Daly City Theatre.

As usual, this giant Christmas program is sponsored by several organizations. However, it is the Daly City Recreation department that does all the planning.

Those giving both time and money to insure the success of this year's party include, as always, Mrs. Bernadette Marchbanks, Our Lady of Perpetual Help Mothers' Club, the PTAs, Daly City Women's Civic Club and, of course, the Crest and Daly City Theatres.

Mrs. Ann Eason will be chairman of the party at the Crest and Earle Johnson will fill this roll at the Daly City Theatre.

Elman Rose, Daly City Recreation department head, is in charge of the overall program.

Driverless Car Scores Fence Hit

Chalk up another runaway car for Daly City.

This one was parked on Knowles street, 50 feet west of Mission at 12:30 p.m. Tuesday. Suddenly something gave way and the car raced down the hill to smash into a small fence and come to rest against a fire hydrant at 301 Santa Barbara.

Although the hydrant was not seriously damaged, police reports indicate, the residence at 301 Santa Barbara is going to need a new fence.

Probably the car suffered the worse damage. Police report the automobile will need a repair job on the front grill, bumper and fenders.

The owner of the machine, Joseph LaBarber, Rt. 2, Box 425, Stockton, was cited for failure to crank his car wheels against the curb, police said.

CITY COUNCIL AGENDA

Improvement Bond Bids To Be Opened At Monday Meeting

Bids on the sale of bonds for Daly City's \$396,000 improvement recreation program will be opened at the Monday night session of the city council.

This will be the principal business of the session.

Under present plans, the company offering the lowest bid for the bonds will be given them to handle. Once the bonds have been sold, the

money will be turned back to the city so it can get the War Community center and various park improvements underway.

It is expected that work on the center and parks will commence sometime shortly after the first of 1950.

Another item on the Monday agenda will be the passage of an assessment district for the Concordia tract. This will mean that the engineer will proceed with plans for completing his survey and call for bids on the job as soon as possible.

Only if the bids are found to be higher than expected will another public hearing be held on the matter, Mayor Green said.

Here is a new and novel way to show off those many Christmas greeting cards you'll be getting soon. Make a "Friendship" tree by hanging the cards on your Christmas tree where all the folks who drop in can see them. You'll be amazed at the amount of sparkle and color they add to the tree and how well they complement the other decorations. It is easy to do. Just tape them on the tree with loops of transparent cellophane tape.

WHAT ABOUT THAT AIR RIFLE?

Every kid wants an air rifle, and many of them aren't going to be disappointed this Christmas. That's too bad.

No, this isn't a tirade against children having rifles, but it is a plea to parents.

Within the last few weeks the Daly City police department has received dozens of calls from irate citizens whose property has been damaged by boys with guns.

Many of these complaints could have been much more serious had the shot struck a human eye or another delicate part of the body.

The majority of complainants were willing to let it go, without bringing any kind of civil action. However, they had all the grounds for collecting a good bit of money from "sloppshooting" children's parents.

So, remember this. Before you put an air rifle into Santa's pack, be certain the receiver is old enough to handle such a dangerous toy.

If your judgment is faulty, it may mean injury to another and a large dent in the family pocket-book.

Air rifles are a fine thing in responsible hands, but let's be sure the fingers can safely pull a trigger.

SOUND SYSTEM TO FILL EMPTY ROOM

There is some talk, now, about putting a sound system in the city council chambers.

All well and good, but we wonder how many ears are going to benefit by the mikes and speakers.

At the present time, not more than a half dozen people ever bother to climb the stairs of city hall the second and fourth Mondays of each month to attend the council meetings.

Of course, if some really great controversial issue hits town, the attendance will skyrocket and then the sound system will be beneficial.

Seems a shame, though, to put in such a fine innovation, only to have the councilmen hear their voices bounce back from the empty council chambers.

But perhaps the city officials can arrange to have their meetings televised. Then everyone can benefit from the sound system without leaving their homes.

OBITUARIES

Mrs. Passafiume

A resident of Daly City for the past 39 years, Mrs. Mary (Josie) Passafiume, 53, 667 San Diego avenue, died at her home last Wednesday.

Mrs. Passafiume was a native of Red Bluff. She was an active member of Colma - Vista Grande Aerie No. 1848, F.O.E., auxiliary; past president of Rincón Hill Unit No. 407, American Legion auxiliary and chaplain of Golden Gate Saloon No. 29, 8 and 40.

The Daly City woman is survived by her widower, Stephen; a daughter, Mrs. Petrina Reagan; sons, Stephen, Robert and Roy; a sister, Mrs. Charles P. Dodd Jr., and eight grandchildren.

Members of the Golden Gate Saloon No. 29 were present, as well as other organizations to which she belonged, at Mrs. Passafiume's funeral Friday. The funeral was conducted at the W. C. Lasswell chapel.

Interment followed at Cypress Lawn cemetery.

Giovanni Bianchi

Requiem mass was recited Wednesday at Holy Angel's church, Colma, for Giovanni Bianchi, 84, 108 San Pedro road, who died Sunday.

A long-time resident of Daly City, Bianchi was employed as a monument worker at the time of his death. He was a native of Italy.

Surviving Bianchi are: his widow, Mrs. Maria Bianchi; a son, John; and two daughters, Irene Bianchi and Martha Jordan. He was the father of the late Charles Bianchi. Funeral services were held Wednesday from the chapel of Valente, Marini, Perata, thence to Holy Angels. Entombment followed at the Italian cemetery.

Rosary was recited for Bianchi Tuesday evening.

Rapsey Nabs SSF Judgeship

It's all official now. Rudolph A. Rapsey, former city attorney for Daly City, is the justice of the peace for the first township (South San Francisco), succeeding John J. Fahey.

The appointment was made Tuesday by the county board of supervisors. However, early last week, as reported in the "Record," an unnamed supervisor said Rapsey would be appointed.

The appointment is effective January 1 and runs for Judge Fahey's unexpired term. In June Rapsey will have to stand up in court if he wishes to hold the post.

Earlier Judge Fahey resigned because he said the office was taking too much of his time, and keeping his name from his private practice in Daly City.

No mention was made Tuesday of Thomas Bocci, Fahey's law partner, who had obliquely applied for the job. Judge Fahey had mentioned Bocci's name as a possible successor.

Rapsey at present city attorney for San Bruno, served in this capacity for two years in Daly City. He also held down the South San Francisco judgeship during the war while Judge Fahey was in the armed services.

The San Bruno man is also well known among Republicans, as he is now chairman of the Republican County Central Committee.

Mrs. Alice Jones

A native and life-time resident of Daly City, Mrs. Alice Louise Jones, 44 1st avenue, died here Tuesday.

She was well known for her civic work in the community, and was a member of the NDGW, El Camino Parlor No. 181.

Surviving Mrs. Jones are: her widower, Earl Leslie; a brother, Fred Silciani, and a sister, Mrs. Ida Callan.

Funeral services will be held this Friday at 1:30 p.m. at the W. C. Lasswell funeral chapel.

Entombment will follow at Cypress Lawn Memorial cemetery.

SO WHAT

(Continued from Page 1)

ground, with one exception. Cops may charter a plane for such operations.

Now to get back to the other side of the Breslauer business, the prosecution of an accused murderer is a mighty ticklish job. In truth, the police and district attorneys are just as much on edge as those under suspicion and their lawyers.

Remember that many an "air tight" case has resulted in acquittal. Consequently, the city or state side stews and frets over whether or not it has everything necessary to obtain a verdict of guilty. And it allors long and assiduously toward that end.

As a reporter in New York, it was our lot to cover many of the notorious murder trials. We were in on the preparation and the actual court procedure of a number of them. What developed was astounding, to put it mildly.

We have known of assistant D.A.'s who lurked for months in the areas described as the underworld. And we were aware of detectives who spent just as much time if not more so, furtively weaving in and out of know haunts of shady characters.

Primarily, they were ear men, just listening for what they could hear. And strange as it may seem, almost invariably, their patience and dogged determination were rewarded.

Of course, one of the main sources of information is the energetic citizen who informs the police. Yes, there nearly always is someone with an eager desire to tell something he or she has heard.

That brings us back to the Breslauer murder. According to a reliable source, the first tip came from someone overhearing a conversation in a bar. The operatives immediately seized on the data, leading to the arrests.

Now come the questions of accuracy and truth. Is the information correct, and next can it be proved. Right now, the authorities are burning the midnight oil checking every detail.

Recently, we warned all merchants to beware of checks. We said that if a stranger proffered one to be sure to call the police. They will gladly go through the necessary details to avoid, if possible, any unhappy consequences.

Well, Chief Sunderland revealed that several tradesmen have failed to comply with our suggestion. Yes, they were left holding the bag, or should we say the rubber, as the checks bounced.

So be guided by this. Get the check, then call Bill. He will do the rest in a painless and polite manner, leaving your customer perfectly happy — unless he is a gyp artist.

Then again, we had a word with the young fry about popping off with air rifles. We said that they would be wise to refrain from such carryings on because otherwise they might end up in the calaboose.

Apparently they accepted our tip for the practice ceased until the other day. Then someone related that a youth or youths were at it again. Now there is the dickens to pay.

So put away the B B guns, kids. Or don't use them where people are, if you know what's good for you.

Stopped in to see Ted Hopman, secretary of the Merchants Association, to see how the Christmas decorations are moving. He informed me that the businessmen are planning on red bells over the street to add to the Christmas spirit. However, he mentioned that there is one unhappy detail he has to attend to.

Seems that there is a little matter of 2,000 bucks, the cost of street paraphernalia, to be raised. Ted said that he hoped the good men and true would see any mention we might make of the subject and thus kick in.

At the same time, he made known that this vicinity is first rate when it comes to television reception. Actually, it is so good that KRON and KGO can be tuned in with only an inside antenna.

That is mighty good to know, all things considered. Doubtless, you are aware that there are a number of "dead" spots in this area. Yes, there are many sections in San Francisco, for instance, that can not get any of the stations.

Anyway, Ted reminded us that it won't be long before we will be receiving programs from Hollywood, and not much longer before a national hookup will be in operation. Just think, we will be able to see what is happening in New York, Washington and elsewhere. Wonderful! Why it's almost unbelievable.

Dr. R. Lee Otis, Optometrist, Opens Office

Wanting to get away from the pressure and congestion of the downtown area, Dr. R. Lee Otis, optometrist, has opened an office at 6135 Mission street. He explained that of all sections surrounding San Francisco, he chose Daly City because of the accessibility and the glowing possibilities here.

Dr. Otis went on to relate that he is well aware of the fact that he is the first eye specialist to set up practice in Daly City, so he asserted, there are many persons here who will find it convenient to employ his services.

"You know," he said, "every eye condition does not necessarily mean that glasses are required. But when some imperfection develops, then anyone so involved should see an optometrist."

The good doctor also emphasized that children should have their eyes tested at an early age. He said that parents would be wise to follow his suggestion especially before they enter school.

He revealed that he has been able to accomplish much for the tots, saving them many an ache and discomfort. He spoke of a little girl with both eyes turned toward her nose, as an example.

After treatment and glasses had been prescribed, her condition showed marked improvement, with the result, the child gained normalcy in both vision and position.

Dr. Otis is a graduate of the Universities of California and Maine, having practiced for more than a score of years in the Mission before coming here. He has the very latest equipment for examinations, and will include a laboratory at his new office.

Violators Fined In Police Court

Police court hummed with activity Friday, and several people gave up money to the city for various violations.

Robert A. Dinkins, 270-C Coleridge street, San Francisco, was fined \$40 by Judge W. J. Sweeney on a count of reckless driving. Dinkins had pleaded innocent to this charge, but was found guilty after a short trial.

James McGrath, 101 Shawnee street, San Francisco, pleaded guilty to distributing the peace and was fined \$25. Warren Hemmingsway, 592 Hillside boulevard, was also fined \$25 on the same count.

Forfeiting bail by failing to appear in court were: Joseph J. Osterger, 224 San Domingo, Lomita park, \$10 on drunkenness; Robert L. McColeen, Millbrae, \$10 on drunkenness.

A well-known Daly City man, Henry "Bear Tracks" Mack, was sentenced to 90 days in the county jail on a vagrancy charge. Mack pleaded guilty to the charge.

QUALIFIES FOR UNION CARD—Bishop Michael J. Ready, right, of the Columbus, O., diocese of the Catholic Church, does such a good job at laying the cornerstone for three new buildings that the stone masons union gives him a union card. The buildings were a rectory, a chancery, and a home for the bishop.

Pontiac Station Wagon Bought By Seth Gordon

The first 1950 Pontiac eight all-steel station wagon to be delivered in northern California, this week went to Seth Gordon, California Wildlife Conservation board consultant.

Delivery was made by John Shiner, Pontiac dealer head of Sunset Motors, 1215 Ocean avenue, San Francisco.

Gordon, a noted authority in national wildlife conservation, is in California to help plan a statewide expansion of the fish and game program.

A conservation expert who works outdoors a great deal, Gordon said he requires a car that is comfortable, "tough" and able to take him everywhere.

"The Pontiac is just the car for me," Gordon said. "Past experience has proved the Pontiac station wagon a real work horse, the most economical and all-around satisfactory job in its class."

And if Gordon knows as much about cars as he does about wildlife, there is no question he is an authority. Outdoor enthusiasts from coast to coast are familiar with his name.

Executive head of the famed Pennsylvania Game commission for 20 years, Gordon has held many top posts in national conservation circles. He has been conservation director for the Izak Walton League, and is present director of the National Rifle association.

Other jobs have included: president of the American Game association, fish and game commissioner; founder of the American Wildlife institute.

New Granada Cafe Holds Three Day Grand Opening

Specializing in fine Italian dinners, the New Granada Cafe will open in larger, modern quarters today, December 8, at 4753 Mission street.

Everyone in the Daly City - Excelsior district is familiar with the cafe. It has been doing a booming business in its old location at 4722 Mission for the past 11 years.

In fact, business got so great that manager Dominic Sambucetti decided it was time to give all the patrons a chance to sit down. So he gave orders for a completely new building.

The all modern structure, just across the street from the old establishment, will seat some 150 discriminating eaters. The majority of space is turned over to tables, so the diner will feel at home. However, there are some stools and booths.

During the grand three-day opening, which begins today and will carry through until Sunday, Sambucetti promises all the ladies gardenias. The gentlemen will find

fine entertainment in various acts Sambucetti has planned.

Although he has moved to a new place of business, there is something that will never change.

"I believe in giving the customer the best possible food available. We have certain high standards that neither place nor time shall change."

While the cafe features Italian food, there is a full menu for those who prefer other dishes. Among these are fine steaks and other all-around American favorites.

The cafe is open during the week from 5 p.m. to 10 p.m. On Saturdays the doors open one hour sooner at 4 p.m., and on Sundays at 3 p.m.

Why not come into the New Granada Cafe and look around? Chances are the fine odors coming from the kitchen will convince you

Club Correspondents Wanted To Write Society News

In an effort to better serve the clubs and other organizations in the BROADMOOR, COLMA, GARDEN VILLAGE areas, the "Record" wants to hire correspondents. These news writers will be asked to turn in all current news about various clubs and other society activities in their respective areas. Persons interested in writing "society news" for these districts are asked to contact the "Daly City Record," 3317 San Jose avenue, Daly City, or to phone JUniper 5-3215.

Around Broadmoor Village

with Verna Duste

As us — Noel, Noel, etc. I've never seen so many busy people in all my life — what with trying to get the tree up before the small fry hear the racket and wake up to "help" (as only they can!) and decorating up the outside of the house to win that wonderful first prize the Association is offering for the best decoration, inside or out.

Along the lines of said decor, have you seen those reindeer over on Maddux drive who really prance? To say nothing of those adorable angels who grace the windows of a home over on Nimitz. That's it, let's all get into the act!!

And while we're speaking of Christmas decorations, let's give a low bow to the Broadmoor merchants, who have gone all out for Christmas this year, especially Leslie's, with their cute little snowman, and those enchanting snowflakes.

Memory Gomez's singing Girl Scouts are "all booked up" for the year with singing engagements. On November 21 they will present a program of Christmas carols for the Lions Club monthly meeting at Estrada's Spanish Kitchen.

Off goes our Stetson this week to the VFW Auxiliary, who spent a couple of days this week at a veterans hospital, wrapping Christmas presents for the veterans.

The American Legion Auxiliary promises a surprise in the way of donations for the playground on MacArthur drive for the small children.

Clark Bird up on Sweetwood celebrated his birthday and his and Alice's fifth wedding anniversary with a dinner on December 5 (his birthday). Get it?? Good — now clear it up for us. Their anniversary is on the eighth, so double wishes for both of you!!

Dickie Yorg, over on MacArthur, celebrated three whole years with a party for his pals on November 23. Many happy returns, Dick.

Visiting from Omaha, Nebraska, is Mrs. Dora Travinsky. Her son, George, is also here from Seattle, Washington. They're visiting Johnny and Alice Travinsky and family, over on Midway.

You know how they always say mumps is a "childhood disease." Well, Mrs. John Schmidt makes no claims to being a "child bride," but she's surely got a whopping good case of mumps!!

The Pink-and-Blue Dept. has taken a decidedly quiet turn — sounds a little ominous to us, that's what happened just before the last set of twins arrived!! Anyhow, Garden Village's proud contribution to this week's Pink-and-Blue Dept. is Thomas Lorren Bocci, who arrived at St. Mary's Hospital on November 28, weighing in at 6 lbs. 7 ozs. Oh yes, he lives at 10 Garden lane.

As will be seen elsewhere, our

own Pat Patey is now serving out Pete Peterson's unexpired term as police commissioner. Huzzah!

Barry Bennier, new resident of Garden Village, really had himself a real he-man birthday party to celebrate eight years, and to kind of introduce himself to the kids of Garden Village. After cake and ice cream and other partyish stuff, Mr. Bennier packed up all the little guests and bundled them off to the Empire Theatre, where they saw "Come to the Stable" and Walt Disney's "Dumbo." Most of the guests were boys, and a pretty delighted crew they were, too!

That buzzing noise you heard yesterday from over Nimitz drive way was just the Canasta Club meeting for its second session. By now, the sharks have definitely settled down to a routine, and a wonderful time is had by all seven tables!!

One of the big items of the week is a letter circulated by the Broadmoor Property Owners Association in regard to the water rate situation. This letter was circulated in an effort to ascertain the wishes of the home owners with respect to the acceptance or refusal of the lower water rate. All those interested in this vital situation are invited to fill in the stub at the bottom of the letter, indicating their preference, and then return the stub to Howard Richardson, president, 1720 Louvaine drive.

The Jack Fishers on Louvaine are entertaining Mrs. Ray Hanson, visiting from Carmel.

Doris Snover up on Washington "showered" Norma Peters at one of the cutest baby showers for many a day. Guests included Elouise Schoeck, Cherrie Berger, Doris Johnson, Mary Torre, Gloria Dalzelle, Margaret Hughes, Helen Macintosh, Lee Andre, Carol Nash, Mrs. William Peters, Mrs. C. Samuels, Mrs. G. Anderson, Mary Royce, Dolly Lepine, and Florence Perry.

Jessie Buckwalter made a quick flying trip down to Los Angeles over the week end on a sad errand — her maternal grandmother passed away. Our sincere sympathies, Jess.

While we're on the subject of flying trips — Dave Cunningham is back from his trip to New York, and, of course, Judge, who boarded out during Dave's absence, had a joyous reunion with all the little kids for blocks around. Small daughter was particularly glad to see "Duds," as was all the other small fry.

Ah me—Christmastide, when the small fry's eyes gleam as they look at the fairyland that is the family Christmas tree, and they hope, oh! so hard, that Santa got that certain letter!! Selah!

As will be seen elsewhere, our

COLMA --- BROADMOOR GARDEN VILLAGE

Colma PTA Room Representatives Entertained

Mrs. Herbert Kern entertained the room representatives group of the Colma PTA Monday evening, November 28.

This group has been organized from the mothers of the pupils of Jefferson Elementary School, the Broadmoor Community Center kindergarten and the Thornton School, to lend assistance to the teachers if and when needed during the school year.

Mrs. Edward Dennis, president of the Colma PTA, was surprised with a birthday hankie shower at the Sewing and Sunshine Group meeting Tuesday, November 29.

After a delicious dessert, the members sewed and chatted. Present were Mrs. J. D. Hopper, Mrs. Thomas J. Blanco, Mrs. Allan F. Mori, Mrs. Dale J. Stookey, Mrs. William Chessman, Mrs. George Bertucci, Mrs. Herbert Kern, Mrs. John Dennis Jr., and Mrs. Henry Ward Brown.

Broadmoor Girl Scouts To Sing

When the Daly City Lions Club meets the Wednesday before Christmas, December 21, they will be put into the holiday mood by Broadmoor and Garden Village Girl Scouts.

A choir of scouts from Troops No. 17 and 19, respectively, will sing for the Lions at their regular noon luncheon on that Wednesday. The choir will be under the direction of Mrs. Memory Gomez, who has worked many months to train the fine voices.

Meanwhile, other girls from Troop No. 17 are now taking folk dancing lessons. The lessons are given each week by Owen McKeown, a pas master of the fancy dance step.

When the girls have been properly trained, they will give performances for various groups in Broadmoor, Colma and Daly City.

Guide To Mailers For Christmas

Volume of mail this year will be as great or greater than in previous years.

MAIL EARLY is greatest single factor towards insuring prompt delivery.

Mail for Eastern states should be deposited not later than December 10.

Other out-of-city points not later than December 15.

For local delivery not later than December 18.

MAIL GREETING CARDS AS FIRST CLASS MAIL — USE 3-CENT STAMPS.

They may be sealed and contain a written message.

Dispatched and delivered first. Forwarded, if necessary, without additional charge.

Returned, if undelivered, at no further expense if the return address is shown.

USE YOUR RETURN ADDRESS — "Why keep your address a secret?"

It is essential as well as proper. Hundreds of thousands of cards are sent to the Dead Letter Office and destroyed. Gifts and cash are lost to senders and addressee because no identification is possible.

POSTAGE: Fully prepaid postage is necessary on all mail matter. Save time by purchasing stamps before the rush period.

ADDRESSES: All mail matter must be plainly and completely addressed, preferably in ink. Give street address or post office box or rural route and rural box number.

PACKING AND WRAPPING: Pack articles carefully and tightly in strong durable containers. Wrap and tie packages securely with good quality paper and cord, but do not seal unless the label has a printed instruction that the postmaster may open for inspection.

SIZE AND WEIGHT: Parcels are limited to 100 inches in length and girth combined for surface and air. Seventy pounds is the maximum weight for first class, air mail, air parcel post and parcel post.

SEALS: Christmas seals and stickers are permitted on the outside of mail matter during the month of December but preferably on other than the address side. To encourage early mailing parcels

Children's Xmas Party At Lutheran Church Dec. 18th

Moving ahead rapidly today were plans for a Children's Christmas party at the Lutheran Church of Broadmoor, December 18 at 7 p.m.

In addition to the usual Christmas recitations and songs, a semi-pantomime of the Christmas narrative is to be given.

The public, and especially parents of the pupils, are invited to attend the Sunday service. The program is to be held in the Broadmoor community recreation center.

To make this observance of the Savior's birth most effective, a special rehearsal will be held in the center this Saturday and a week from Saturday at 9:45 a.m.

Parents whose children plan to be in the program December 18 are urged to have their boys and girls present for these rehearsals.

Meanwhile, plans were going ahead for the Christmas pot-luck supper Friday, December 16, at the Broadmoor center.

Ladies planning the entertainment would appreciate those who are going to bring a dinner to notify them. This can be done by calling Mrs. Erdman at Juniper 4-9562 or Mrs. Bowlin at Juniper 4-2162.

The theme for the third advent service at the church this Sunday will be "The Great Advent Call: 'Prepare Ye the Way of the Lord.'" The Sunday service will be conducted during the regular morning worship hour at 11 a.m. The public is invited to attend.

BROADMOOR REQUIRES COP

Pat Patey, recently appointed a police commissioner of Broadmoor, declared today that the immediate problem before his group of three men is acquiring another patrolman. At present all of the work is loaded on the shoulders of two officers.

Patey explained that the difficulty is a matter of money. However, with the new homes to be included under the jurisdiction of Broadmoor, he asserted that the necessary funds probably could be raised.

The new commissioner has had considerable civic experience, besides he has a law degree. He is employed by the Counties Title Company in San Francisco.

Bethel Lutheran Church Services

In conjunction with this week's advent service, Universal Bible Sunday will be observed at Bethel Lutheran church, Alemany boulevard and Huron avenue.

The Rev. Herbert P. Schroeder will preach on the subject: "The Prophet Like unto Moses." Appropriate selections will be rendered by the choir under the direction of Mrs. Ruth Petersen.

Parents need not worry about their children during services. A nursery is maintained for small children, with ladies of the church in charge.

may be marked "Do Not Open Until Christmas."

ENCLOSURES: Written salutations, such as "Merry Christmas," "Happy New Year," "With Best Wishes," are permitted. Letters or messages, no matter how brief, in unsealed greeting cards or parcels cause them to be subject to first class rate.

SPECIAL DELIVERY: Mail matter of any class is entitled to the most expeditious handling and transportation practicable, as well as prompt delivery by special messenger at the office of address upon the prepayment of special delivery fee. Letters up to 2 pounds cost 15 cents. Parcels up to 2 pounds cost 25 cents. Rates for additional postage are slightly higher.

AIR MAIL — AIR PARCEL POST: For quick, speedy service. Modern, efficient, dependable, avoid disappointment of late arriving parcels and letters. In case of mailing after the above deadlines air mail will bring destinations 1 to 3 days closer.

Patrons having a number of greeting cards to mail are urged to tie them in bundles with addresses all faced one way and those for local delivery separated from the out-of-city.

Broadm'r Woman's Xmas Decorations Condition Better

Still in a serious condition, but "slightly improved" is Mrs. Helen Hirshmill, Broadmoor woman who allegedly attempted suicide last Friday.

After emergency treatment at Junipero Serra hospital, Mrs. Hirshmill, 1736 Louvaine drive, was transferred to the San Mateo Community hospital. Today, officials there reported her condition as "slightly improved."

The mother of two small children attempted to hang herself in a garage after her husband, Robert, had left her, police said. A neighbor, who had dropped in to fix a light cord, found the woman hanging in the garage, police declared.

The neighbor, Robert Goodwin, 1740 Louvaine, cut her down and administered first aid until an ambulance arrived.

decorations, Green said.

Much credit for the decorations this year can go to those merchants who really worked hard for the cause. They were: Lombardi, Bill Griffin, George Kirchhubel and Bill Kennedy.

The game is sponsored by Holy Angels parish in an effort to raise funds for the parish. Much of the proceeds from the whist game are to be spent for the Christmas happiness of some residents in the Colma-Broadmoor area.

In addition to the fine whist game someone is going to leave the hall with a fat, 15-pound turkey. Other awards, also, will be made.

Refreshments are to be served those hungry and thirsty players.

Working to see the evening is a huge success are Francis Teater, Mike Casitini, Arthur Dorn, Armand Guglielmino and Mesdames Frenzia, Padeeddi, Welp, Callan.

AND THERE WAS LIGHT

When God said "Let there be light," He created the conditions under which life could exist on the earth. Without light, the earth would become a frozen ball, barren, desolate, and lifeless.

It was a great day for the human race when man learned to draw the imprisoned sun-rays from the elements and convert them into heat and light. It marked the beginning of human progress.

Step by step he has advanced from the brush fire to the marvels of electricity. With more light he has increased his knowledge, added to his safety, and improved his living standard.

Religion is the light of the spiritual world, and is essential to the growth and well-being of the soul. The Psalmist said, "The Lord is my light and my salvation," and the teachings of Jesus are the "true light" for all who will heed them.

Wherever the Bible is accepted as the guide of life, darkness disappears and the light of faith shines in the hearts of men.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) Which needs his moral and material support. Plan to go to Church regularly and read your Bible daily.

Presbyterian Church Holds Rehearsal

Members of the junior and primary departments of the Grace Presbyterian Sunday school will hold a Christmas rehearsal this Saturday at 10 a.m.

The Christmas program is to be held Sunday evening, December 18.

In charge of the program are Mesdames William Harberts, Arthur Benofsky, R. F. Traxler and Miss Barbara Winter.

Meanwhile, other activities of the church next week will include:

Sunday, December 11—The annual pledge day. A special service of dedication of pledges and offerings will be used in connection with the divine service at 11 a.m.

Tuesday, December 13—A special congregational business meeting has been called by Tom Swan, chairman of the building committee, and Willard Hodge, chairman of the board of trustees. Every member and friend should plan to be present when the meeting opens at 7:30 p.m.

Santa Claus Coming To OLPH Mothers' Club

With the Christmas spirit predominating members of the Mothers' Club of Our Lady of Perpetual Help school will meet this Friday, December 9.

The meeting is to be held in the school auditorium at 8:30 p.m.

Expected guest at the convocation is none other than Santa Claus. Following the business meeting, he will hand out gifts to all members present.

Giving Santa a helping hand will be Mary Jane Tielman, hospitality chairman, assisted by 8th grade mothers.

Meanwhile, the Mothers' Club wishes to thank all who participated in last week's Christmas bazaar. A gross of \$1,226 was taken in at the event. All of the money is to be used for educational purposes.

Not only enjoying the bazaar, but walking away somewhat richer were Katie Core, Mrs. Isabel Liberti and Mary Calagari.

It was also announced this week that mothers of the 7th grade pupils will assist Mrs. Sue Schroeder, chairman, in the kitchen for the parish whist to be held next Friday, December 16.

Santa Claus Entertains Jeff PTA Exec. Board

Santa Claus made an early visit to Daly City this year.

He appeared at the home of Mrs. Catherine Foreman, 35 Woodrow street, last Thursday. Oddly enough, this was the exact time that the Jefferson High School PTA executive board met.

The women of the board enjoyed an elaborate luncheon and festive holiday decorations.

Present as hostesses were Mesdames Catherine Foreman, Mildred McGeein, Stanford Hannah and Ann Eason.

This latter lady, it is rumored, had something to do with Santa Claus' appearance at the party. In fact, some say it was she who stood behind the mask.

Father Goes To A Baby Shower

Winging into San Francisco head of schedule, the Stork pushed father Robert Fox, 1020 Post street, into a bevy of women in Daly City last Friday.

The good women had planned a baby shower for Fox's wife, but when she was whisked off to the hospital it looked like the shower would have to be forgotten.

"Oh, no," said Mrs. H. D. Mowery, 143 Wyandotte, "we'll have the shower with dear Robert as the honored guest."

Nervous and shaking, Fox was led to the shower by Mrs. Mowery's husband, Sgt. Harry Mowery, and Mowery's brother, Everett. The shower was held at Mrs. Mowery's home.

When Fox came into the room he announced that he was now the proud father of a 7-pound-13-ounce boy, Steven Robert, who had been born that very day at Children's Hospital.

Undismayed by this news, and determined to give the shower, the women hailed Fox as the guest of honor and placed him on the "throne" Mrs. Fox was to have filled.

Various gifts were given the proud father by the following guests: Mrs. Gordon Curtis, Daly City; Mrs. Ken Myles, Broadmoor; Mrs. Opal Cluss and Mrs. Marion Walker, Redwood City; Mrs. Louise Royer, Vallejo; Mrs. Nina Haynes, Cloverdale, and Mrs. C. A. Haynes, Sonoma.

Also present from San Francisco were Mesdames John Folger, Alice Willig, May Brossard, Norman Haynes, George Metro and Eddie Korecki.

SOCIETY

Dance "With Ease" To Help Women Secure Uniforms

Relax this Saturday and attend the "Come As You Are" dance at the Polish Hall, 22nd and Shotwell.

This dance is being sponsored by the Marching Unit of the Women of the Moose No. 739. Seems the gals want uniforms, and they figure about the best way to get same is to hold a dance.

All money from the session will be used by the marching units for band uniforms.

The event gets underway at 8:30 p.m. and is to continue far into the night. This is one affair where everyone should get his money's worth.

In addition to music, the women promise various prizes. They don't say for what, but if you're an expert at the waltz, you may stand a chance of going home with something extra in the way of material goods.

Refreshment also will be served. The dance is under the direction of Mrs. Marie Stella.

Serra students undertaking host duties along with their hostesses mothers, as their contribution to the success of the tour which will benefit a number of school projects are Phil Monahan, Charles French, Al Chanteloup, Robert O'Brien, John Cassidy, Lawrence Wrinkle, Richard Fourmont, Jack McCann, Thomas Laramie, Marvin Murphy, Fred Liebh and James Mori.

Young People's Concerts Dec. 10

Commencing Saturday, December 10, at 10:30 a.m. the annual series of San Francisco Symphony's Young People's Concerts will open at the opera house under the leadership of Kirt Herbert Adler, with Alexander Fried as commentator.

Five concerts, combining education and entertainment values, will make up the series which will continue monthly throughout the music season.

Single tickets for all five of the Young People's Concerts may be purchased at the Symphony box office, Sherman Clay & Co., Sutter at Kearny street.

DALY CITY-COLMA

With the question of unemployment uppermost in many minds these days, a representative of the state department of employment spoke to the Lions Club Wednesday.

The speaker was H. H. Pederson, manager of the South San Francisco branch office.

He called on the Lions to create as many jobs as possible, as the situation in the state at the present time is almost critical.

Pederson also spoke on hiring the handicapped. He asserted that this class of worker is often the best. He tends to be more faithful, and often proves a better employee than others.

Meanwhile, some 25 Lions were preparing today for a trip to the P. G. & E. Power House "P" at Hunters Point next Tuesday. As guests of the company they will see the largest generators in the world.

The visit was planned by Ernest Rutter, local P. G. & E. manager, and Bill Kennedy of Kennedy Electric.

R.N.A. To Hold Turkey Dinner Thursday, Dec. 15

An annual Christmas turkey dinner will be held December 15 for members of the Royal Neighbors of America.

The dinner is to be held in the Little Italy Hall, 6229 Mission. It will begin at 6:30 p.m.

Originally this same feast had been planned for Friday, December 16. However, this year the day was changed to Thursday.

Meanwhile, last Friday the following officers of the RNA were elected to serve during the 1950 term:

Merle Taylor, orator; Marie Thompson, past orator; Geraldine Allen, vice orator; Lillian Gray, recorder; Cecil Saarinen, receiver; Agnes Wood, marshal; Grace Coolish, inner sentinel; Lillian Thomey, outer sentinel; Dora Black, Mae Miller, managers.

The officers are to be installed in January.

"Record" Reminiscence

From the "Record" 10 Years Ago December 6, 1939

Daly City's municipal buses were put into actual operation Friday, between Mission and Market streets, with 680 passengers availing themselves of the new and faster method of transportation.

Representatives of 12 Daly City organizations met in the council chambers at the city hall Monday evening to discuss the building of a community hall. Rene Bruzel was elected president of the association and Mrs. Ethyl Dorn, secretary.

Julia Bertini has been selected as valedictorian and Robert Christensen as salutatorian for the Jefferson Union high school graduation. Genevieve Price, president of the student body, and Ruth Morris, president of the senior class, will also speak.

Sign of the times: Thomas E. Dewey will start his campaign to win the 1940 GOP presidential nomination with a speech at Minneapolis today.

Junior Prom

Tonight, December 9, the Junior Class of '51 is presenting one of the most memorable dances of the season, "Christmas Fantasy."

Steve Selvi and his band will be playing for the Prom. Doors will open at 8:30 and close at 11:30. The dress for this dance will be semi-formal. Admission was \$1.50 for couples with student cards and \$1.75 for outsiders. Tickets will not be sold at the door.

Assembly

One of the best assemblies in years was presented last week. It was an all-student talent assembly. Impersonators of the Andrews Sisters and Bing Crosby singing "Talanassae" featured Steve Ward, Leo and Jim Bricker, and yours truly as Bing. Peggy Jones had everyone's sides splitting with her version of an old lady singing "My Happiness." A tap duet of black-faces included Joan Siano and Lundy Rivera. Other features of this assembly consisted of the "Barber Shop Quintet" and an impersonation of the famous Al Jolson.

Aquacade

The aquacade proved to be very successful. The profits taken in from the seven performances will go into the student body fund.

Edgewood Terrace Civic Association Meets One Week Early, Dec. 20th

Trying to escape the Christmas rush, the Edgewood Terrace Civic Association will meet December 20, instead of December 27.

As usual, the Tuesday night meeting will be held in the city hall at 8:15 o'clock.

This change in schedule is merely for December. After that, the organization will meet at its regular time, the last Tuesday of each month.

All people living in the Edgewood Terrace district are invited to attend the meetings.

Woodrow Wilson PTA To Help Santa At School

Visiting the Woodrow Wilson school December 15, Santa Claus is going to get a helping hand from the PTA.

The old boy will be around to see the children in each of the school rooms. He is to give away various small gifts and words of encouragement to those children requesting items for Christmas.

Women of the PTA will help Santa through distribution of cookies, ice cream and other good things to eat. Those women who wish to volunteer for this work are asked to contact either Mrs. Jane Keith at Juniper 4-3576 or their individual room mothers.

Volunteers are also reminded to remember the aforesaid numbers. They are needed for the Hot Dog sale Wednesday, and are asked to contact Mrs. Keith or their room mothers.

Meanwhile, the room mothers were entertained at a meeting last week at the home of Mrs. William McCormack, 21 Muirwood drive. During the meeting they

to MOM the best cook in the world

A toast to the Queen of Cuisine who reigns supreme throughout the festive holiday season. She is "Ma" or "Mom" who can oven-tan a turkey to perfection and bake pies that melt in your mouth. Yes indeed, within the portals of California home kitchens you will find some of the finest cooks in the world. "Mom" has secrets of success not found between the covers of a cookbook. Let's hope she has a modern range that is smart looking and smart cooking. She can always rely upon its dependable and automatic heat control. This Christmas and New Year let's give Mother the praise she deserves and see that her kitchen has every modern work-saving convenience she needs and wants.

District Head Visits Auxiliary

Honored guest at the Friday meeting of the Old Glory Post VFW No. 2044 auxiliary was Mrs. Martha Schmidt, 12th district president.

Mrs. Schmidt visited the post on an official inspection. During her time in office she pays visits to all the units under her "command."

In addition to the president, there were also guests from San Juan Buesta, Oakland, San Francisco, Redwood City, San Mateo and San Bruno.

Mrs. Schmidt has her home in San Juan Buesta.

General Pershing PTA Toy Fair Well Attended

By Mrs. E. K. Whinnen

The toy fair, held in conjunction with the regular meeting of General Pershing PTA, was a notable success.

Everything was sold out by the time the regular meeting started. Some very attractive stuffed animals and dolls, as well as some home made doll cradles, complete with story book dolls, home made mattresses, pillows, and quilts, were the highlight of toy counter.

Some plant arrangements in hand made, wishing-wells, and other ornamental designs, were also very attractive. The bakery sale, as usual, was quickly sold out. Cakes, doughnuts, candies and cookies were available.

The guiding star of the toy fair was Mrs. R. F. Traxler, whose idea it was, and who worked tirelessly toward its success. She was ably assisted by several committee members. One of the member's husband made the little cradles, and other hand made wooden ornaments.

The Rev. John Glasco, of the Broadmoor Presbyterian church, spoke on "The City Called Christmas." The "city" is bounded on all sides by joy, happiness, goodwill, and love, and in the center of the "city" is a baby, who gave to man the richest gifts ever bestowed upon mankind, the gift of a better way of life, a code to live by, the knowledge that to give of one's self brings great satisfaction.

The general meeting was well attended. A chief attraction was, of course, the kindergarten band, under direction of Miss Henrietta Engle, teacher. The little "band," with real drums, sticks to dap together, and all kinds of improvised instruments, presented several numbers to the audience, accompanied on the piano by Miss Engle. In their own baby way, they put on quite a performance, some enthusiastically and interested, others mechanically banging on the instrument they had while their little minds wandered hither and yon.

A radio was presented to Miss Winifred McGrath, on behalf of the school, by Pershing PTA. Also a wall can opener and soup dishes to match the set given the teachers last year, and not then available, were presented to Miss McGrath by Mrs. Freeland, president of Pershing PTA.

Miss McGrath, obviously moved, made a sincere and pleasing speech of acceptance for the school.

Several songs were sung by Mrs. Freeland, Mrs. Memory Gomez and Mrs. Effie Jordan, accompanied on the piano by Mrs. R. F. Traxler.

James Snell, district superintendent, joined the assembly for refreshments.

NEWS OF YOUR NEIGHBORS

Miss Beverly Wheeler, 139 Vista Grande was given a party last Saturday to mark her eleventh birthday. The party was given by her parents, Mr. and Mrs. Charles Wheeler, in their home. However, the guests saw more than the interior of the Wheeler house. For nearly two hours they were entertained at San Francisco's Playland. Those attending included Joan Mandell, Arthur Williams, Pat Williams, Sharon Jonsane, Carol Cameron, Billy Fairchild, Lillian Boynton, Shirley Boyer and, of course, Miss Wheeler.

Pvt. Martin S. Enright, son of Mrs. Julio Marion, 966 Hanover street, is now on duty with the Headquarters 25th Infantry division, which is stationed at Osaka, Japan, and is a part of the Pacific Command 25th Infantry (Tropic Lightning) division. Presently, Pvt. Martin is a clerk in the army post office. Pvt. Martin joined the army on April 21, 1947, and arrived in Japan on August 27, 1947.

George Beristano, brother-in-law of John Scudalis, 155 Knowles avenue, is now spending a pleasant vacation in Athens, Greece. The cook at the Daly City Coffee Shop is now on a short leave of absence. Scudalis, manager of the shop, said Beristano will return to work within six months to one year. The former cook is now visiting a brother and sister in Athens. His brother is a bishop in the Greek Orthodox Church. Except for a short time during the war, Beristano has been working at the Daly City Coffee Shop since 1929.

A. L. Sundstrom, 174 Crocker, is an old-time donor to the San Mateo county blood bank. In fact, last month Sundstrom set a bit of a record for Daly City by giving his 12th donation of blood to the bank. Amateurs in this field, with first donations, included last month: A. P. Elliott, R. T. Elliott, Russell Bell, Mrs. George Christensen, Harold O. Miller and Charles P. Brush.

Ronald Petrocchi, five-year-old son of Sgt. Petrocchi, 46 Mission circle, had a nasty fall while playing at school Tuesday. He was busy watching the other youngsters when he tripped and fell, cutting himself over his left eye. Taken to Junipero Serra hospital, the lad was treated for the cut and sent home. We hope young Ronald is feeling better, and will keep both eyes open so he won't have one shut, especially when Santa Claus is so near to Daly City.

Joseph Lewkowicz, well-known gas dispenser in Daly City (both at the pumps and on his back) visited the San Mateo county delegate Tuesday to the California Service Station Operators Association. The meeting was held in the Benjamin Franklin hotel, and Lewkowicz attended as he is on the board of

Santa Prepares For Eagle Visit

By way of remainder to all Eagles. The youngsters' Christmas party is to be held Sunday, December 18.

The party, only for young Eagles, is to be in the Colma-Vista Grande Aerie No. 1848 F.O.E. Hall, 3346 San Jose avenue. During the day, from 1 to 8 p.m., Santa Claus will talk over his favorite subject with your child.

Following the talk, little Johnny or Mary will be taken to another part of the hall for a Christmas party.

More information will be published in next week's "Record."

Interested Eagles are asked to bring their youngest children in the afternoon, and the "older" ones (that is, from about 8 to 12) in the evening.

Also going along was another Daly City service station operator, Magnus Hemmer.

Elman Rose, 856 Beachwood drive, is planning to take a two-week vacation over the Christmas holidays. This gentleman, known for his work as leader of the Daly City Recreation department, claims he desires a little snow to greet Santa Claus. Hence his choice of Susanville, Rose, his wife and two children, will be gone for two weeks while the boys and girls are out of school. But don't begrudge the school teacher his rest. During the summer he was working on plans to keep your children off the streets while you were enjoying your vacation. Now it's his turn.

SHARP, husband and wife, by deed of trust dated December 3, 1947 and recorded in Book 1502 at page 193, in the office of the County Recorder of San Mateo County, California, did grant and convey the premises therein and hereinafter described to SAN MATEO COUNTY TITLE COMPANY, a corporation, as trustee, to secure, among other things, the payment of a promissory note, executed on December 3, 1947, by the said George A. Sharp and Virginia S. Sharp for the principal sum of \$3,025.00 with interest from date until paid at the rate of 6 per cent per annum, payable in installments including interest at the rate of \$25.00 per month; and

WHEREAS default has been made under the said deed of trust and the said note in this that the installments of principal and interest due on July 3, 1949 and thereafter and a portion of the installment due May 3, 1949 were not at the due date and have never since been paid; and

WHEREAS, the said deed of trust provides that if default be made in the payment of any of the sums of principal and interest when due, the owner and holder of said note may declare the whole of the principal and interest thereon immediately due and payable and require the said trustee to sell the property thereby granted; such sale to be made after the holder of said note shall have filed in the office of the county recorder of the county where the property is situated, a notice of such breach and of election to sell, and three months shall have elapsed from the date of said recording; and

WHEREAS STOWE A. WEBER and U. U. SOWARD; partners, the owner and holder of said note did declare that default had been made as aforesaid and did declare the whole of the principal and interest immediately due and payable and thereupon on August 16, 1949 did record in the said county recorder's office in Book 1701 of Official Records at page 336 due notice of breach and of election to sell the premises hereinafter described to accomplish the objects of the trusts therein expressed;

NOW THEREFORE NOTICE IS HEREBY GIVEN that, by virtue of the authority in it vested by said deed of trust, the undersigned will as trustee, sell at public auction in the manner provided by law to the highest bidder for cash in lawful money of the United States on Friday December 23, 1949 at 11 o'clock A.M., at the Middlefield Road Entrance of the County Court House, Redwood City, California, all the interest conveyed to and held by the undersigned, as trustee, by the aforesaid deed of trust in and to all that certain real property set forth therein, situated in the town of Brisbane, County of San Mateo, State of California, and particularly described as:

Lots numbered twenty-three and twenty-four in Block numbered sixteen as shown on that certain map entitled "Amended Map of Subdivision Nos. 1, 2 and 3 of City of Visitation, California," filed in the Office of the County Recorder of San Mateo County on October 14, 1908 in Book 6 of Maps at page 45.

For the purpose of paying the balance due upon the principal sum of said note, to-wit: the sum of \$2,853.31, together with interest thereon from June 30, 1949, as provided in said note; sums if any advanced under the terms of said deed of trust; the expenses of said sale and the compensation of said trustee and reasonable counsel fees, as therein provided. Terms of Sale, cash in lawful money of the United States.

Crippled Pitchers And Sterling's Big Club Bring Sarto Nine Their Ninth Victory, Plus League Pennant

Although both their pitchers were suffering from injured hands, the Sarto nine last Sunday edged out the San Francisco Indians by 6 to 5 for their ninth straight win. With this final game the Sarto lads did just what everyone expected — they took the Class "A" National League pennant.

Now that the season is ended, the boys may play one or two exhibition games, Joseph Sarto, team backer, said. Times and dates of these games will be announced later in the "Record."

Last Sunday's game was opened with Bill Rainey on the mound. He fired the ball for three innings, but due to a bad hand, suffered when a bat struck him the Sunday before, he had to be called out of

the game.

Taking his place, with an equally bad hand, was flashy Morgan. Morgan finished out the game, although his pitching hand gave him a great deal of trouble. It was this hand that was recently operated on for an ailment.

Despite the "sick" hands, Morgan and Rainey held the Indians down to five hits.

Star of the day for the Sarto nine, and probably the main cause for taking the event, was Al Sterling's batting prowess.

At bat four times, Sterling reached second twice, and came up on third twice. He drove in two of the runs for the Sarto boys, and helped his team to finish in the winning column.

JEFF NIGHT BASKETBALL LEAGUE OPENS; COLMA BOYS BEAT NEVILLE; UNION LIQUOR TAKES DC BOYS CLUB

Some 300 cheering fans were on hand Tuesday night at Jefferson High school to see the opening of the Jefferson Night school basketball league.

And the boys and girls in the bleachers really saw thrills. (We could say, got their money's worth, but all games in this league are free.)

Probably the stars of the evening were the five drivers on the Colma Boys Club. Coming from behind in the second half the lads from down under took Neville Motors by the comfortable score of 4 to 21.

Ben Parodi had a field day, sinking seven baskets and getting one good free throw. All and all he racked up 15 points for the Colma team. Close behind was Bob Savelly, who managed to find the hoop seven times, to rack up 14 points.

However, the Neville five are still in the running. They showed good ball in the first half, but somehow slipped out of the picture later in the game. Perhaps a little more practice and they may be a team to contend with this season.

In the second game, Union Liquor ran all around the Daly City Boys Club for a score of 44 to 20. The boys from Visitation Valley have been playing quite recently and had more than a slight edge on the Daly City team, many of whose players failed to turn up for the opening bout.

Perhaps when all the team is around, the Daly City Boys can do better.

Following is next week's schedule:

Tuesday, December 13: Neville Motors vs. College of Chirophy; Tromborg Plumbing vs. Daly City Boys Club.

Thursday, December 15: Colma Boys Club vs. Veteran's Inn; Consolidated Schools vs. Union Liquor.

Remember all of these games are free to the public and are held at 7:20 and 8:30 p.m., respectively, each Tuesday and Thursday in the Jeff High gym.

In next week's "Record" will be the report on both Tuesday's games and the battles fought out tonight, December 8.

Teams in this year's league include: Union Liquor, Daly City Boys Club, Colma Boys Club, Neville Motors, Consolidated Schools, Tromborg Plumbing, Veteran's Inn and College of Chirophy.

S.M.J.C. To Honor Football Team Basketball Starts

San Mateo Junior College students will honor their football team at a dinner at Bondy's in San Mateo Monday evening, December 12.

Players, coaches, visiting speakers, students and faculty members will attend. Awards will be presented each player earning his letter. The team finished second in the southern division of northern California and won five games, lost three and tied one for its 1949 season.

The basketball squad has opened its schedule in fine fashion, defeating Armstrong College of Berkeley in the opening game and the Valjejo College in the second game. Coach Ray Baisley has a strong combination although many of his players are rather short for college competition. This Friday night the team goes to Marin College for a non-conference tilt and then plays the California Blues Saturday in the University pavilion.

Steady rehearsals are preparing the college players for the production of their term comedy December 15, 16, and 17 in the junior college auditorium, "George Washington Slept Here," a humorous play about a family that buys a run-down warm where Washington was supposed to have spent a night.

Paul W. Travis, author, photographer and lecturer, will present a program Monday evening, December 12, in the junior college auditorium. He will lecture on and show pictures of his 100,000-mile trip through 16 foreign countries, dealing especially with the Philippines, Japan and the South Sea Islands. The lecture starts at 7:30 and is open to the public free of charge.

FLASH Sarto's To Fight Mission Kiwanis

When two pennant winning teams clash, there's bound to be fireworks, and that's what is promised this Sunday at Marchbanks field.

At 2 p. m. the winner of the San Francisco Recreation department Class "A" National League, Sarto's, will clash with the top team in the Class "A" American League, Mission Kiwanis.

Both teams are the best in their class, and from here it appears difficult to say which one may come out a winner. However, most bets are with Sarto's, who won nine straight during the season.

Still, the Mission Kiwanis are not to be discounted. During their sessions on the field, they managed to end up with eight out of nine games to their credit.

Much will depend on whether or not Henry Morgan will be able to take the mound for the Sarto's his Sunday. With Morgan pitching their chances are excellent.

But, it must be remembered, his lad is now suffering from a bad hand.

Regardless of the teams respective conditions, there will be a Sunday game... with one reservation. If you see rain coming down this Sunday curl up with the paper and forget the game.

Jeff High Indians

From Milton Tromborg's TEPEE

Last week, with the help of sports writers Rich Micheletti and Bob Mink, your reporter tried to find out who the most valuable man was on the Jefferson varsity in the '49 football season.

We made ballots out and sent them to Coaches South, Lair, Orlich, and Reese.

After the votes came in, the decision was: Frank Druhan on defense and offense in the line and Don Lunghi on defense and offense in the backfield.

It was everyone's choice but one for Frank Druhan in the line.

Don Lunghi received every vote. I'm going to tell you why the voters picked these two boys. First of all, Frank Druhan, Frank has played four years of football, two of the years being on the frosh-soph. The other two years has been on the varsity. Frank is about the largest man in the line, and he is the most aggressive player on the squad. He always hits hard but clean, and his ability in football has been shown all over the gridiron this year. He made first string in the 1949 P.A.L. team at tackle, and no one came close in beating him out.

I can't say that Frank was the only good man on the Jeff eleven, but, believe me, he was one of the best, and I can't say that anyone on the team can compare with him.

After Frank Druhan was voted as the best defensive and offensive lineman, the next thing to do was to pick the best all-around backfield man for offensive and defensive playing.

Everyone who voted named Don Lunghi as the best all-around player. True, he did not go for long runs and run wild at any time, but his consistent playing made him the most valuable player in the Jeff backfield.

Lunghi gained more yardage than any one player on the team. Lunghi was not the high scoring man this year, because fullback George Ritter took the honor with 36, while Lunghi made 30.

Behind Lunghi came George Ritter, who also was a valuable man in the Jefferson eleven this year.

It was Ritter who sparked the Indians to victory in the South City game, and I'll say this about Ritter, if he had gotten the ball as many times as Lunghi, I think he would be on top of the P.A.L.

SF Man Suffers Head Injuries In DC Accident

Struck by a car as he was crossing a Daly City street Saturday, August DeRita, 34, 99 Faralones street, San Francisco, today is recovering from head concussions and lacerations.

Junipero Serra hospital, where DeRita is being treated, reported his condition as "good."

The San Francisco man was hit by a car driven by Joseph Belli, 39, 27 Werner street, police report. DeRita was crossing Mission at 11:27 p.m. Saturday 20 feet north of the pedestrian walk on Vista.

J S MERCHANTS FIGHT FOR PENNANT SUNDAY AT FUNSTON NO. 2

Battling it out for the championship of the Class "AA" National League this Sunday will be the Junipero Serra Merchants and Syl's Service.

The Daly City team won a chance to play for the championship last Sunday when they out-swapped Horsetrader Ed's by 11 to 3. Presently, Syl's and the Merchants each have six straight wins to their credit.

Sunday's game will be played on Funston No. 2 at 2 p.m. It is hoped all Daly City baseball fans will be present to cheer the Merchants on to a victory.

In their first league game with Syl's, the Daly City nine wound up with a tied score of 3 to 3. Then through the season both teams seemed to beat their opponents by pretty much the same scores.

Consequently, the Sunday contest should be one of the closest-fought battles of the season.

But back to last Sunday. With George Bournellis tossing the hide for the Merchants, they as good as won the game from the pitcher's mound. Bournellis allowed only three hits, and walked only one player.

Still, there's no forgetting the second hero of the day, Neil Pezola. This first baseman not only did an excellent job away from the plate, but in the fifth connected with a home run to drive in three men.

Others who showed more than skill in their respective positions last week were Bill Newman, who got two for three at bat as did Fred Fazio and Hook Arata.

at the time of the accident, police said.

Belli told officers that he saw DeRita, whom, he said, was not watching traffic, come across Mission. Belli swerved his auto, but DeRita walked into the front of the car," the Daly City man said.

In another less serious week-end accident, Robert J. Mort, 32, Rt. 1, Box 319, Colma, ran into the city's street sweeping machine.

This accident occurred at 7 a.m. Sunday. Mort told officers "I must have dozed off at the wheel. The collision woke me up," he told police officers.

The right side of Mort's car will need repairs. However, the heavy sweeper will require only a new left headlight.

IN MEMORY

YOU ARE INVITED TO ATTEND A MEMORIAL SERVICE IN LOVING MEMORY OF PETER DORMOY AT MT. OLIVET DECEMBER 11, 1949, AT 2 P.M. IN LOVING REMEMBRANCE OF MY DEARLY BELOVED HUSBAND, PETER DORMOY, WHO PASSED AWAY DECEMBER 10, 1948.

Surrounded by friends I am lonesome,
In midst of pleasure I am blue,
A smile on my face and a broken heart,
I am lonesome, so lonesome for you.
The flowers I lay upon your grave
May wither and decay,
But the love I bear you, dear Peter
Shall never fade away.

up plans, making estimates, choosing sites, and so on for new public structures.

However, the government, at present, will not pay for the construction of such buildings.

Hoping to have such plans drawn up by the government, Mayor Green will meet with a federal official Monday.

"I hope to find out more specific information," Mayor Green said. "Then, perhaps, we can proceed with long-needed city improvements."

Among those buildings needed (other than a post office, which comes under a different agency) Mayor Green said the city could use a larger city hall, and a new library.

Tom Laramie Named Outstanding Catholic Player

It came as no surprise to anyone this week that flashy Serra back, Tom Laramie, was named as outstanding player on the All-Bay-Area Catholic football team.

Laramie, son of Mr. and Mrs. Thomas Laramie, 57 Cavour, was one of three Serra high school lads chosen for the first team. The others included Phil Monahan and Charlie French.

As an outstanding player, Laramie set a new record this year for the Catholic schools. He is the first man ever to chalk up 13 touchdowns in one season for the Serra Padres.

Other members of the All-Bay-Area Catholic team include: ends, Dick Galliani, Sacred Heart; Paul Zraggen, Sacred Heart; tackles, Bill McPherson, Belarmine; Pat O'Brien, Marin Catholic; guards, Charles Luchessa, St. Ignatius; Tom Cunningham, St. Mary's; Berkeley; center, Charlie French; Serra; backs, Tom Laramie and Phil Monahan, both of Serra; Ken Ravizza, Belarmine; Gene Ferrari, Marin Catholic.

Basketball Comes In At Jeff High; Team To Be Chosen After Christmas

By Milton Tromborg

Basketball in and football out, just as easy as that. Jefferson, under the new coaching of Mike Orlich, will go into the P.A.L. after Christmas vacation, but at this time the boys are out on the court every day practicing to see who will make the team.

The team this year is made up of a few players from last year's losing team, a few from the 30s, and some new students in the school.

There is not much news about the team as yet, but I'll try to tell you a little about players out for the team.

At guard, Les Nicolini looks like the one to be on the first string. Les has played first string for the 10s, 20s and 30s, and he should have little trouble in making the team with all that experience behind him. Also at guard, we have a new boy, Mark Lorey, who played for the Sequoia team last year. He is very fast and can really move around the court.

A boy who should do well is six-foot-seven Jack Allain. Jack played last year and did not do too well, but after he gets a little experience behind him, look out. Jack will be at the center position.

At forward, it looks like a pretty hard decision to make. Harold Mosmen will be on the first team, I'm sure, for he played on the team last year. He is fast and fights for the ball at all times.

Before I make any more decisions, I'm going to wait until the

Colma Boys End Seals League In Cellar

Ending the Seals Stadium League so far in the basement they could see the pitcher, the Colma Boys Club dropped their last game Sunday to the Junior Seals, 9 to 1.

This was the seventh game out of ten that saw the Colma lads walk off the field with neither glory or a winning score.

Now that the season is over, the Colma Boys will take a long deserved rest, Joseph Sarto, team backer, said.

Not much can be said about last week's game, other than that the Colma Boys tried for a win without a pitcher, and two other players. "Babe Ottoneo and Leland Nicoletti and Don Wool were out hunting. Minus these three, the Colma team did just a little worse than they have all season.

Indians play a few games.

The Indians will be a very greatly improved basketball team come time for the 1949 season to open. All the league games will be played at night, and if you would like to see your own high school in action, come down to the gym at Jeff and see the Indians play.

As soon as the schedule is made out, it will be printed in the "Record."

Kris Kringle's Cookies

"How to Make Christmas Come Sooner" could be the real title of this story! For what child does not love the anticipation of Christmas almost as much as the day itself?

Let's set the youngsters up in the cookie-making business by having mother first make up two batches of cookie dough—one for regular sugar cookies and the other for chocolate cookies. Then everyone joins in cutting with a couple of fancy-shaped cutters. Various decorations are added before baking: colored sugar crystals, red cinnamon candies, nuts, currants and citron. When the cookies come out of the oven, the fun really begins with fancy wrappings—and a stolen bite or two!

Old-Fashioned Sugar Cookies

2½ cups sifted cake flour
2 tps. calumet baking powder
½ teaspoon salt
½ cup butter or shortening
1 cup sugar
2 eggs, well beaten
1 teaspoon vanilla

Sift flour once, measure, adding baking powder and salt, and sift again. Cream shortening, add sugar gradually, creaming until light and fluffy. Add eggs and beat well. Add vanilla. Add flour, a small amount at a time, mixing well after each addition. Chill until firm enough to roll. Roll ¼ inch thick on lightly floured board. Cut with floured cutter. Place on ungreased baking sheet; bake in hot oven (400° F.) 10 to 12 minutes.

TO COLOR SUGAR, dissolve a bit of coloring in a teaspoon of water, sprinkle over ¼ cup granulated sugar, mix well to distribute coloring evenly, and spread sugar over on ungreased paper until dry. This gives attractive large crystals of colored sugar for decorating.

Chocolate Cookies

2¼ cups sifted cake flour
1½ tps. calumet baking powder
1½ teaspoon soda
½ teaspoon salt
½ teaspoon cinnamon
½ cup butter or shortening
1 cup sugar
2 eggs, well beaten
3 squares unsweetened chocolate, melted

Sift flour once, measure, add baking powder, soda, salt and cinnamon, and sift together three times. Cream shortening and sugar gradually, creaming until light and fluffy. Add eggs, chocolate, and beat well. Add flour, a small amount at a time, mixing well after each addition. Chill until firm enough to roll. Roll ¼ inch thick on lightly floured board. Cut with floured cutter. Place on ungreased baking sheet; bake in moderate oven (350° F.) 9 minutes.

TO COLOR SUGAR, dissolve a bit of coloring in a teaspoon of water, sprinkle over ¼ cup granulated sugar, mix well to distribute coloring evenly, and spread sugar over on ungreased paper until dry. This gives attractive large crystals of colored sugar for decorating.

San Mateo County Medical Society Opens Office

The San Mateo County Medical Society announces the opening of a permanent office in the Mills Memorial Hospital, 95 South El Camino Real, San Mateo.

Business affairs in the office will be conducted by Robert L. Wood Jr. as executive secretary.

The Society, made up of doctors practicing in San Mateo county, has as its objective the promotion and development of the science and art of medicine and, as an organized body, to serve the public interest. Members of the Society, feeling that these objectives could be better served through the creation of a fulltime secretary and office, voted overwhelmingly to establish them.

Wood, a native of Philadelphia and graduate of the University of Pennsylvania, has been associated as a public relations representative with the Pacific Gas and Electric Company, since his return from Japan and subsequent separation from the United States Army.

The Society urges anyone who has problems or grievances in connection with the medical profession, to use the facilities of the Society. Similar operations are being conducted in many other counties throughout California to the greater benefit of doctor and patient alike.

Ninety-six per cent of the four million business units in the United States are in the category of "small business."

Population of the eleven Western states has grown from 8.4 per cent of the nation's total to more than 12 per cent in 1948.

The National Park Service has reported a record breaking attendance of 105,000,000 visitors to state parks in the United States in 1948.

Buffalo Bill Williams To Give Horse Show Sunday

Horses, gals and barbecues will all be features of the Buffalo Bill Williams Ranch horse show this Sunday.

Getting underway at 11 a.m., the big horse show is to be held on the Williams' ranch off Junipero Serra near Stuart street.

A full program of horse-show events is planned, including stake, barrel and free-for-all races. In addition, various expert riders will give exhibits of their skills.

The rumor has it that some of these experts are wearing skirts ... and very nicely, too.

The public is invited to attend, as the show is absolutely free of charge, Williams said.

Refreshments at the show are to be under the supervision of the Broadmoor American Legion Post No. 834, Williams indicated. All money from these stands is to be used by the post for building a new hall in Broadmoor.

YOUNG MEN MUST STILL REGISTER FOR THE DRAFT

Although the draft law will be void in June, 1950, until then young men reaching their 18th birthday must still register. Col. K. H. Leitch, state director of selective service, said today.

At the present time no one is being drafted into the army, Col. Leitch noted.

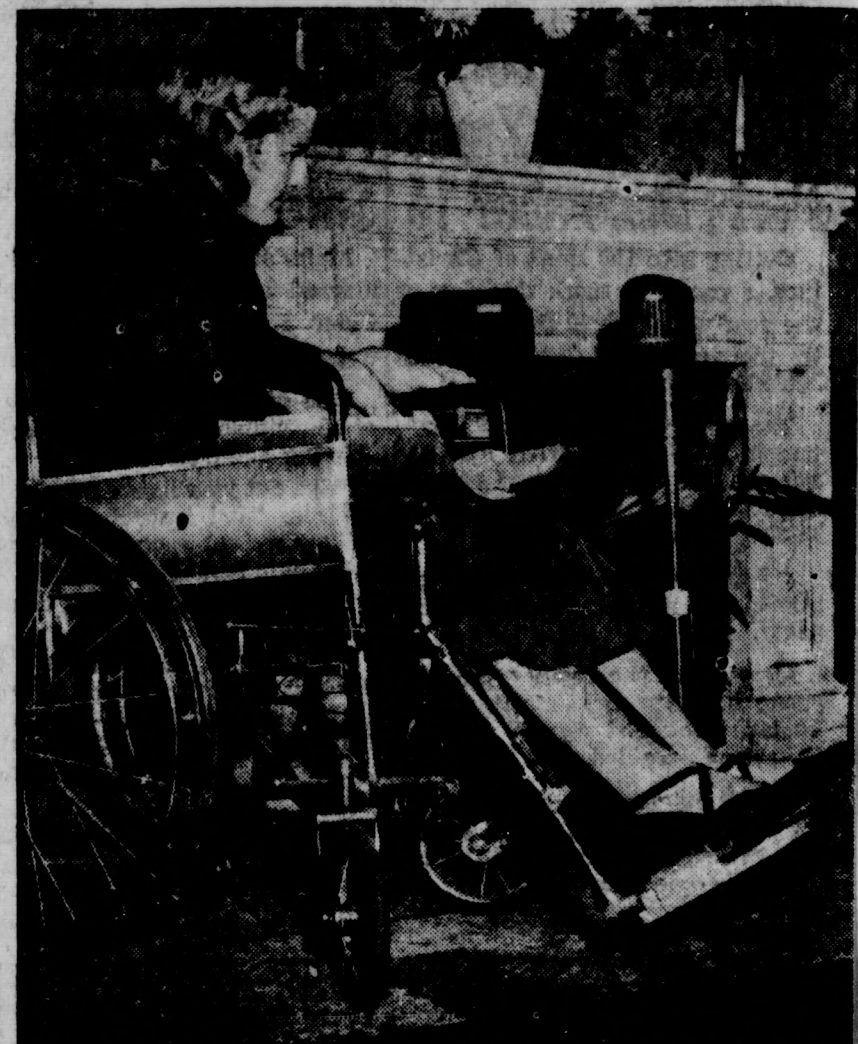

However, as the selective service law is still on the books, young men must register within five days after their 18th birthday.

Those who fail to register are subject to a heavy fine, Col. Leitch said.

Young men who have not registered, may do so at the selective service board in San Mateo, 45 North B street, or at San Francisco at 1254 Market.

Further information may be obtained by calling Mrs. Virginia Anderson, after 6 p.m., at DElaware 3-6119.

Wyoming was the first state to give women suffrage — in 1899.

"GOING TO SCHOOL"—Folio-stricken Ann Louise takes active part in a classroom discussion held at Washington Irving High School in New York, although she sits one and a half miles away on the stage of the Commodore Hotel. The discussion was made possible by the new school-to-home telephone communication displayed by the National Society for Crippled Children and Adults.

Checks To Injured Vets To Be Larger January, 1950

All veterans in San Mateo county who are receiving government compensation for service-connected injury or illness will receive larger checks starting in January. This is a result of a new federal law, but one group of these veterans must take action themselves in order to get the full benefit of the liberalizing measure, according to Floyd D. Granger, veterans service officer.

In addition to increasing compensation by 8.7 per cent "across the board," Granger said, Public Law 339 extends to veterans with service-connected disabilities rated at 50 per cent the extra compensation for dependents formerly granted to those with ratings of

60 per cent or higher.

However, before these "50 per centers" can obtain this additional compensation, they must provide the Veterans Administration with documentary proof of the number and relationship of their dependents — such as certified copies of public records like marriage certificates and birth certificates. Granger emphasized that this extra benefit will not be given until the proof is received by the Veterans Administration. If, however, the dependents are of record with the VA on December 1, and the supporting proof is received next May 1, the extra compensation will be granted retroactive December 1, he added.

Veterans and veterans' dependents who have any question about ratings or other aspects of disability compensation, or who want assistance in submitting claims, are invited to consult Mr. Granger, the Veterans Service Office, in the courthouse, Redwood City.

Crashing A Meeting Of Explorers

By RIDGELY CUMMINGS

Probably other people have experiences like this one but are prudent enough to keep quiet about

them.

Anyway, this struck me as amusing so I'll tell it on myself.

One day recently I got a phone call from a young lady who is more noted for vivacity than wisdom.

"How'd you like to go to an explorer's meeting with me tonight?" she asked.

I thought of Richard Halliburton, Frank Buck, Doughty of Arabia, Rider Haggard of Africa. "You mean mountain climbers, jungle trackers and such?"

"Yes," she said. "The speaker is just back from Tibet."

"Sounds good."

"All right, you know where the Bellevue hotel is? On Geary street?

Meet me in the lobby at quarter to eight."

"I'll be there," I promised.

I was. My hostess wasn't in sight so I prowled around the lobby.

There were two meetings going on. From one the strains of "For He's a Jolly Good Fellow" floated out

and when I peeked in the door

CHECK SHOCK ABSORBERS

Fluid level in automobile shock absorbers should be checked at least twice a year, the California State Automobile Association advises. Defective shock absorbers affect car control and may cause accidents, if not corrected.

DANGEROUS HOURS

Night time is a dangerous time for both motorists and pedestrians, cautions the California State Automobile Association. When driving at night, slow down and keep alert. When walking, make sure you can be seen by wearing or carrying something white.

learned it was a business banquet.

Across the lobby was a gathering of females all wearing circular white badges. They didn't look like explorers but I thought I'd ask anyway.

Information Please

A buxom matron at the door said yes, this was the All-Year Explorers Club. Its membership was comprised of business women.

Where did they explore? Well, last month they visited the Mint. Yes, the one in San Francisco. And the month before they went to the Santa Cruz mountains. Next month they might go to Marin county.

No, men weren't barred. They could come as guests. In fact, she thought there was a man present already. Now where was he sitting? Oh yes, did I see him?

I did see the poor fellow almost hidden in a sea of extravagant hats of the genre favored by business women on their evening out.

I thanked the lady and returned to the lobby. Promptly at five after eight my hostess arrived, flushed and breathless.

"Hurry up," she admonished me, "we're late."

She sailed in the door with me behind her. I hadn't had a chance to tell her that I wanted to beg off on the grounds that it appeared to be a hen party.

The buxom matron and a colleague of equal avoidpious barred our way. The entrance door opened into the front of the meeting rather than the back, so we were the object of curious scrutiny from the assembled members who were seated and presumably waiting for the treasurer's report and Tibet.

Just a Visitor

"Do you have your membership card?" the greeters asked my hostess.

"Oh, I'm not a member," she said calmly. "I've been hearing about your interesting meetings so I thought I'd come and bring a friend." She indicated me with a wave of her purse.

The heavier woman smiled with a Cheshire grin that made up in teeth what it lacked in warmth. "I'm so sorry. Our meetings are for members only. Perhaps you are eligible for membership. What is your occupation?"

My companion told her and there followed the business of filling out an application card while I shifted from one foot to the other and wondered how I could escape from the accusing stares of the audience, for we were delaying the program. "Now," the greeter smiled again, "we'll notify you if your application is received favorably and you'll be able to attend next month's meeting."

My companion said she wanted very much to hear this particular meeting. The greeter said there weren't any chairs, they had enough only for members.

The girl said we'd be happy to stand. I said she was speaking only for herself. The greeter said we could stand in the back of the room.

What Will Happen?

My hostess marched triumphantly past the audience to the rear of the hall. A mere male in a hostile environment, what was I to do?

Should I wheel and go out the door through which I had entered, which would look impolite, or should I permit myself to be trapped into standing up for a couple of hours to listen to the ladies transact their club business and hear about Tibet?

You don't have to tune in next week to learn the denouement to this situation.

In the rear wall I spotted a sign reading "Fire Exit." I followed the girl who had inveigled me into the embroglio and when we were safely behind the audience I whispered an invitation to her to duck with me.

"Fresh air, the friendly streets and a population of non-explorers are just outside," I hissed. "Come with me to freedom."

Poor girl, she declined. I guess she figured she had caused such a commotion that she had to stick it out.

As I darted for the exit she laid a restraining hand on my muscular arm. Her eyes were full of pleading.

"You cad," my conscience said to me, "be brave and stay."

My feet had other notions. At the open exit I turned and gave her a last chance. She shook her head sorrowfully but negatively. The door closed between us.

Now Mr. Anthony, what I want to know is why should a gal invite me to a meeting to which she's not entitled to go herself; and did I act like a perfect gentleman or would my conduct have been improved if I had spanked her with a Tibetan prayer-wheel?

Doctor Patterson Jones

December 7, 1949

My dear Son:

Just eight years ago today our country was brutally attacked at Pearl Harbor.

For five years after that your dad, along with some twelve million other young Americans was in uniform. I feel that our job has not been completed.

Our representative form of government was challenged during that period and it is being challenged again today.

Two strong forces are working against us. The communists, avowed enemies of our democratic ideal, are making every effort to destroy what we have here. Hand in hand with the communists may be found certain public officials who through corruption of their duties are undermining the very foundations of our government.

As our population increases the demands upon our public officials become more urgent. Only faithful men will have the strength to bring proper answers into the field of public administration. The unfaithful, some of whom have held public office for many years, are incapable of public service. They sought their office for the possession of power and for access to the lucrative source of extra-curricular income which is available to unconscionable persons in positions of authority.

Before we can feel confidence in the future we must take away the badge of office from those incumbents who do our system discredit. Citizens all over the country, not only in San Mateo county, must break the political back of those forces which are imperiling the vital growth of free government.

Your second lesson in politics, my son, should show you that like the attack at Pearl Harbor, we still have a cause worth fighting for. The battle ground is in our own community. If we can win here, and realize what we have won, freedom and decency will have a chance throughout the world.

New Seat Springs
In 1950 Ford

New front seat spring construction with the addition of an inch and one-quarter pad of foam rubber provides increased riding comfort in the 1950 Ford.

The new Ford may be seen now at Neville Motors, 7360 Mission, Daly City.

By utilizing the newest type of non-sag seat springs, known as the "Z" type, which eliminate the old-style coil springs, Ford engineers have provided additional foot room for rear seat passengers.

The new reverse-bend front seat springs eliminate all sag in the seat even after thousands of miles of driving use and provide a more comfortable ride. The new springs are covered with cotton padding, then with a blanket of foam rubber and finally a soft cotton pad

over which the upholstery material is drawn.

Another feature of the 1950 Ford front seats is the new design of the seat cushion which eliminates any tendency to create an opening between the seat and the bottom of the seat back when riders lean back. This is accomplished by extending the seat under the back cushion.

An attractive all-metal trim panel extends around the ends of the bottom of the new front seat

providing improved appearance as the door is opened.

New pull-type front door arm rests also permit ease in closing the door.

SKIDDING DANGER

With winter approaching, automobile owners are warned against driving with smooth tire treads by the California State Automobile Association, which points out that smooth tires skid easily and also puncture readily. Smooth tires should be recapped or replaced for the sake of safety and economy.

SAFeway's GUARANTEED SHORT RIBS

Buy of the week!

EASY WAY to prepare and serve SHORT RIBS Supreme
by Carol Drake

3 pounds short ribs
1 cup flour
2 tablespoons shortening
3 teaspoons salt
1 teaspoon pepper
onion, finely chopped
cups water
1 1/2 carrots
1 green pepper
3 stalks celery
6 medium-size potatoes

Dredge short ribs in flour. Brown well in shortening in heavy kettle. Drain off excess fat. Add salt, pepper, onion, and 1 cup water. Cover with tight-fitting lid and simmer 2 1/2 hours. Shred carrots, pepper and celery and add 45 minutes before meat is done, with peeled potatoes and 1/2 cup water. Simmer until meat and potatoes are tender. Shredded vegetables help thicken and flavor gravy; serve over short ribs and potatoes. Serves 6.

Wonderful-tasting short ribs... cut from the same sides of beef as our finest steaks and roasts. Yet look at the low price! Here is truly a thrifty dish that you will be proud to serve.

Termites Clue To Social Problem

Termites are worth studying for their successful handling of a number of social factors, according to Dr. Alfred E. Emerson, visiting professor of zoology at the University of California.

They have solved the problem of integration between the individual and society, and anti-social acts are rare in their communities. But it would not be possible for humans to copy these arrangements, for the insects act largely by instinct, while man usually acts as he does as a result of thinking and learning, Dr. Emerson points out.

The highly organized life of the termites, including their milking of kept insect "cows" and their harvesting of fungi for food will be discussed by the University Explorer in his broadcast Sunday, December 11, over the Columbia Broadcasting System.

The broadcast will be released over KCBS, San Francisco at 10:15 a.m.

PRESIDENTIAL CHRISTMAS TREE . . . This was the annual community Christmas tree in Washington, D. C., as it blazed with light last year. President Truman, at his home in Independence, Mo., pushed a button to turn on this holiday brilliance by remote control. The White House shows dimly in the background, framed by the tree and huge Christmas candles.

HIGH OIL PRESSURE
Many veteran motorists are prone to think that something is wrong with the oiling system when their new cars show low gauge pressures in idling, states the National Automobile Club. There isn't, in most cases. Too high a pressure at low speeds may mean a dangerously high one when the engine is turning over rapidly.

BRAKE SAFETY
Did your brakes work efficiently when you last drove your car? If not, have them tested and adjusted or repaired immediately, urges the California State Automobile Association. Your ability to stop your car when necessary is a life-saving asset.

Here's a Guessing-Gone Christmas Cake With a Rich Chocolate Eggnog Frosting

HERE'S a beautiful holiday cake that's sure to star at a party. It's a luscious cake, made with cake flour to insure a light and downy texture. The rich chocolate eggnog frosting has a real holiday flavor. Tiny silver candies add sparkle and glamour. And the recipe is the kind that takes the guessing out of cake making by giving the exact number of heating strokes needed to insure success.

So, for a specially delicious dessert at dinner when Christmas guests are visiting you, to serve at a holiday party, for refreshments to casual New Year's guests, just make this rich and wonderful cake.

CHOCOLATE EGNGOG LAYER CAKE

Preparation: Have the shortening at room temperature. Line bottoms of two deep 8-inch layer pans with paper; grease. Start oven for moderate heat (375°F.). Sift flour once before measuring. Lift by spoonfuls into cup, level off. Do not pack or shake down.

Measure into sifter:
1 3/4 cups sifted cake flour
2 1/4 teaspoons double-acting baking powder

2/4 teaspoon salt
1 cup plus 2 tablespoons sugar

Measure into mixing bowl:
1/2 cup shortening
1/2 cup sugar

Measure into cup:
*Milk (see below for amount)
1 teaspoon vanilla

Have ready:
2 eggs, unbeaten
*With butter, margarine, or lard, use 2/3 cup minus 1 tablespoon milk. With vegetable or any other shortening, use 2/3 cup milk.

Now for the Guessing-Gone part:
Stir shortening just to soften. Sift in dry ingredients. Add milk and mix until all flour is dampened. Then beat 300 strokes by hand, or 2 minutes in mixer, low speed. Add eggs and beat 150 strokes by hand, or 1 minute in mixer, low speed. (Count only actual beating strokes or beating time. Scrape bowl and spoon or beater often.)

Baking: Turn batter into pans. Bake in moderate oven (375°F.) 25 minutes, or until done. Cool in pans on cake racks for 5 minutes. Then loosen from sides with spatula, turn out, remove paper, and turn right-side up on racks to cool before frosting.

Chocolate Eggnog Frosting: Melt 3 squares unsweetened chocolate in double boiler. Remove from boiling water. Add 1 1/2 cups sifted confectioners' sugar and 2 tablespoons hot water; blend. Add 1 egg and beat well. Then add 4 tablespoons softened butter or margarine, a table spoon at a time, beating thoroughly after each amount. Add 1/4 teaspoon rum extract, if desired.

NEWS FROM THE SCHOOLS

JEFFERSON

The holiday season has been the contributing factor to the decorations for the primary grades of Jefferson School and annex.

A large "Merry Christmas," cut from colored paper of holiday colors, dominates the hallway. This greeting to all is flanked on one side by festive Christmas decorations from Room 5.

Attractive calendars and stockings were colored, cut out and hung in the hall and the room. Those contributing were Donna Dennis, Jeannine Mayhoad, Darryl Peterson, the Branstetter twins.

ROOM 4
Room 4 has brightened the hall with an intermingling of jolly Santa Claus and various portrayals of Christmas done by the boys and girls. A cheery cotton snowman casts his approving glance upon the scene.

The boys and girls in Room 4 have brought ornaments to decorate their Christmas tree. Barbara Golladay brought a Danish basket. She told the class that boys and girls in Denmark have baskets which they hang on the Christmas trees. Then their Santa Claus fills all the baskets with toys and candies.

ROOM 6
The children in Room 6 have started to make Christmas books. These books will portray stories and pictures pertaining to the holiday season.

Dixie Howell plans to give his book to Santa Claus. Phyllis Clayton is going to read the stories to her little brothers. Anita Howard will show her book to her baby brother. Many of the children are planning to show their books to friends during the holidays.

CROCKER

Last week the students of the Low 5 grade welcomed John Wellcome to their class. John came from Los Angeles.

The children of Room 3, as well as those of Rooms 5, 6 and 1, enjoyed a short film on tolerance, "The House Divided." Sinatra was the star.

On Wednesday, the children who have X-ray permission slips will go to the Woodrow Wilson School for their chest X-rays. Bus transportation is provided.

The children are planning Christmas cards using some of the ideas Mrs. Kagan suggested. Plans are also being made to have paper cut-out decorations for the halls. Some of the classes have taken home colored paper to work on.

ROOM 4

Four students of Room 4 have completed a very unusual cross-section of the Andes. On a large piece of paper, Phyllis Cormack, Jackie Hansen, Frank Martorana, and Jimmy Laumond have sketched that section of the Andes where LaPaz, Bolivia, is situated. It shows the mountains rising sharply at the Pacific. There amid the snow-capped peaks at an elevation of 12,000 feet, over two miles, the city of LaPaz is located in a cool wind-swept valley. About 300,000 people, mostly Indians, live in this city.

LaPaz is depicted with white buildings and red-tiled roofs. Nearby, across a ridge is the blue of Lake Titicaca, the largest fresh water lake in the world.

The first steamer that sailed this lake had to be packed up piece by piece on the backs of burros over the lofty mountains.

Since then a railroad was built into LaPaz, and there is a large boat plying the waters of Lake

Stormy Weather

WHEN POINTS GET THIN

Spark plugs, once the victims of carbon, now have a new enemy, according to the National Automobile Club. Plugs are so good these days and the engines in which they perform are so much better than they used to be that they seem to go on forever. The plug point that has been used for many miles, however, may be as clean as a whistle, but, having fired millions of gasoline charges, it becomes thin. In this condition, it gets red hot after a few minutes of use and causes serious misfiring. A new plug will assure much better performance.

WATCH YOUR SPEED

Watch your speed during the wintry weather. High speeds are always dangerous, but they are especially dangerous when windshields are clouded with fog or rain and pavements are slick and slippery.

IN DOUBT—DON'T

"When in doubt, don't" is a rule recommended by the California State Automobile Association for drivers who are uncertain whether or not it is safe to pass another car. Be perfectly sure that you can pass safely before you move out of your lane of traffic.

Titicaca. It took nine freight trains to carry the materials that went into that boat over the Andes.

ROOM 5

The pupils of the Low 7, Room 5, have been learning strange things about the Chinese. For instance, they wear white instead of black for mourning, their books begin on the last page, and their family names come first like "Doe John," instead of "John Doe."

The children are sorry that they will lose Doris O'Neil, who is moving to Broadmoor.

ROOM 6

In their study of the United States government, the pupils of Room 6 have learned that the leader of the majority party becomes the Speaker of the House of Representatives. The Speaker is also next to the Vice-President in line for the Presidency should both the President and Vice-President die, or resign.

Sam Rayburn is the present Speaker of the House.

Xmas Card Mailing Cost Goes Up; Now Two Cents

Don't try to mail your Christmas cards this year with 1½-cent stamps, Postmaster John F. Fika warned today.

The postmaster pointed out that the postage rate on unsealed greeting cards was raised to 2 cents last January.

If your postage is not properly prepaid, all sorts of embarrassing things may happen—

Your letter carrier may return the cards to you stamped "Insufficient Postage," or they may be held until the addressee supplies the additional postage required by the new law. If a wrong or illegible address is used, your cards might find their way to the Dead Letter office.

To avoid embarrassment, go first class. By adding one cent, you can buy preferred service with many advantages. Greeting cards sent at the first class rate may be sealed

Catholic Ladies Aid Society Of St. Michael's To Hold Whist Dec. 13

An annual Christmas whist is to be held this month by the Catholic Ladies Aid Society of St. Michael's.

The game is scheduled for Tuesday, December 13, at 8:30 p.m. in the parish hall, 32 Broad street, San Francisco.

Everyone is invited to attend. Proceeds from the game will be used by the parish to further its Christmas work.

and contain written messages; they are forwarded if necessary, given directory service or are returned at no extra cost, provided that you have used your return address.

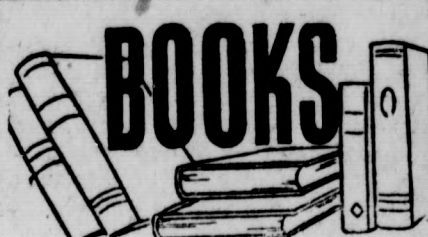

Christmas cards carrying 2-cent stamps are third class mail. They must NOT be sealed and must NOT contain personal messages. If the address proves to be incomplete or incorrect, your warm-hearted Christmas greetings land in the Dead Letter office.

"Please address plainly and completely in ink," Fika emphasized. "Give the full name, house number, street, name of city, zone number, and spell out the name of the State. Many temporary clerks and carriers are required to handle the heavy Christmas load and they don't have the time or experience to figure out scrawled addresses."

And don't forget to use your return address on Christmas cards. It is essential and proper and has the approval of the highest authorities on etiquette, because it helps friends keep their address books up to date. Why keep your address a secret?

Greeting cards receive more considerate handling if they're mailed before the peak Christmas rush, Fika pointed out. Greetings for out of State delivery should be posted by December 15, and for local delivery at least a week before Christmas.

By Lorraine DeFanti

One of the better new books for young people comes in the person of **Cable Car Joey** by Naomi and Lorin McCabe.

In this book we meet the very first cable car that ran up and down the hilly streets of San Francisco. It introduces us to Joey's mother, the balloon car, as well as to the horse car, Joey's father. On his adventurous trips up the steep Clay Street hill, Joey passes such picturesque spots as Nob and Russian Hill, Chinatown and North Beach, to mention just a few. His daily route results in many exciting experiences, for being a cable car Joey is never idle.

Then comes the famous earthquake of 1906, and Joey is forced to stand motionless for many days clinging to his cable, waiting patiently to hear it hum-um-um once again. During his period of inactivity Joey observes all the excitement and confusion which the earthquake has caused. He sees horses pull clanging fire wagons past him on their way to the fires. He offers refuge to girls and boys, puppies and seagulls, many of whom have been rendered homeless by the disaster. Then just when Joey feels that no one cares if he ever runs again, he wonders what will become of his beloved San Francisco, some men with crowbars, brushes and oil cans come to repair him.

Soon after he is happily clanging down the hill carrying the men who will build a new San Francisco. He watches his city grow into a thriving metropolis, and as the years pass people come from all over the world to ride with Cable Car Joey.

Year up and year down he clicked over the San Francisco hills showing his friends the new and beautiful sights. At the end of the book we find a happy and proud cable car for Joey had proven himself invaluable during the rebuilding of his city.

WRITER SPEAKS—

This book is of particular interest to the reviewer, because at a meeting held on November 10th at the San Mateo County Free Library in Redwood City, Mrs. McCabe addressed a group of librarians. On this occasion she spoke of her experiences connected with the writing of her book, which to date has undergone three printings and sold about 18,000 copies.

Writing, she remarked, is a job like any other—a job at which one must work very hard if he wishes to succeed. An active church and organization worker (Scouts and P.T.A., among others) Mrs. McCabe described how she sandwiched "Joey" in between these activities and her domestic work.

She confided that her most severe and most highly respected critics were the neighborhood children. After having completed a certain section of "Joey" she would call in a group of the youngsters and while they popped corn together she would read the manuscript to them. If the story succeeded in holding their attention she would keep that part of the material, and if it did not she would tear it up and rewrite it until it did.

Although at times this method of testing the appeal of her book was very discouraging and tedious, Mrs. McCabe told the librarians that the criticisms of her young audience were of utmost importance to the final product, the very popular and successful Cable Car Joey. One of the main points she made in her discussion was the fact that intensive research is necessary if an accurate and stable foundation for a book is to be laid.

She emphasized her idea of the importance of research when she said that she had spent six to eight weeks on research material for her book. This included such things as visiting museums as well as reading everything she could find in the historical library which pertained in any way to the cable cars. As a result of such intensive investigation and study, Mrs. McCabe said that one becomes so well acquainted with his material, and so full of his subject that he feels he will burst with it if he does not put it down on paper.

She stated that she did not believe in a piecemeal approach to writing. Rather she stressed again and again the importance of a complete and solid foundation before any writing is to be considered.

The poised and modest speaker, a peninsula resident, said she intends to write more books dealing with San Francisco, as well as other non-regional works. She is an intimate friend of Kathryn Forbes of Mama's Bank Account fame, as well as of Rutherford Montgomery, popular adventure

Cable Car Joey is liberally illustrated with amusing pictures painted in red and green. The illustrations were drawn by Mr. Lorin McCabe, who so unfortunately was killed in an airplane crash shortly after the book had been completed.

"Joey" is a real "character" who has watched history made and forgotten. Here is a story that small boys and girls will enjoy, for it tells them a great deal about one of the most fascinating cities in the United States.

Come to the Daily City Public Library and meet Mrs. McCabe's charming creation, Cable Car Joey.
